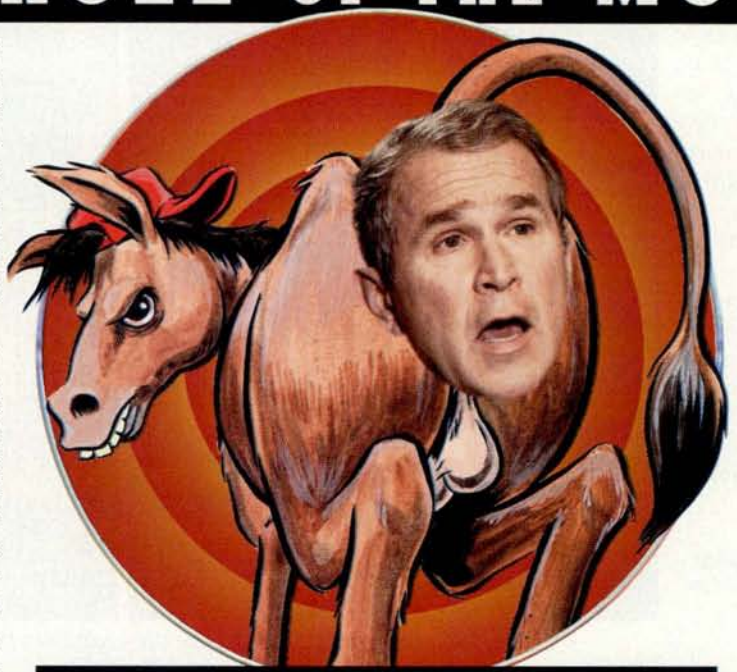
Bits & Pieces

ASSHOLE OF THE MONTH

Ever flush a particularly smarmy turd and have it pop up to foul the bowl again? Well name that helium-inflated shit George W. Bush, and proclaim him HUSTLER's Asshole of the Month for May 2001. On November 7, 2000, the majority of America's voters pulled the chain on Bush's presidential bid, choosing to wash him from history's toilet.

Being a lighter-than-H_2O loaf, Bush burbled back to the surface, and a wave of frenzied scum swept him into position as the 43rd President of the United States. This high-water mark in sewer politics has earned W. our highest dishonor for the second time in two years (see "Asshole of the Month," Holiday 2000). If only the Midland Muddler had struck so consistently while drilling for oil, he might have been too busy to run for office.



GEORGE W. BUSH

Bush's buoyancy is easily explained: Air-filled objects float. Since his candidacy began, we've been besieged by Bush's Baby Huey face, his boneheaded brow furrowed as he struggles to comprehend. His pursed lips spew inanities like so much spat-up Similac. Among the idiocies dribbled by the Free World's new leader: "Rarely is the question asked: Is our children learning?"

Did Babs and George Senior ever make such a query? W. received degrees from Yale and Harvard; yet never learned to construct a proper sentence. This failing didn't deter him from posing as an education reformer, carping at the nation's public-school teachers for a system where "grammar is optional."

While basic English eludes W., hypocrisy is second nature. Politicians usually wait until after inauguration to break their pledges. Bush dismantled his credibility long before the U.S. Supreme Court handed him a "victory" as specious as his blatherings.

"I'm not running in borrowed clothes," Dubya sniveled early on, attempting to minimize his family's political dynasty, even while surrounded by a staff of baby-sitters—Dick Cheney, Condoleezza Rice, Paul O'Neill, Donald Rumsfeld—culled from the Bush Sr., Reagan, Ford and Nixon administrations.

Bush ran posturing as "a uniter, not a divider," claiming to represent "a new breed of Republican."

"To all Americans, particularly immigrants and minorities, we send a clear message: This is the party of freedom and progress, and it is your home," Bush babbled.

Furriners and darkies, be warned: Move in at your own risk. With his characteristic aversion to honest work, W. plans to delegate massive authority to his appointees. Bush's prospective puppet-masters shit all over any delusions of racial harmony and fair government.

Bush's choice for attorney general, former Missouri Senator John Ashcroft, sent his clearest message to minorities in a 1998 interview with white-supremacist rag *Southern Partisan*, in which he Jim Crowed, "We've all got to stand up" to promote the Confederacy's legacy. His dedication to "freedom and progress" is measured by legislative threats to the Pill and IUDs. A member of a Pentecostal sect that interprets violent tremors and babbling in tongues as good Christian behavior, Ashcroft ranted in a speech at Bob Jones University that America has "no king but Jesus."

Until she was popped for harboring illegal-alien domestic help, Linda Chavez was Bush's hope for labor secretary. Chavez's resumé includes denouncing the Americans with Disabilities Act, equating sexual-harassment victims to "crybabies" and suggesting that minimum-wage hikes are Marxist.

"A good person with a great deal of compassion," summarized Bush.

"Prosperity is meaningless without a healthy environment," Bush puffed, before picking Gale Norton as his interior secretary. Norton's greatest impact on the environment thus far was as attorney general in Colorado, where her philosophy of industrial self-policing directly led to a cyanide spill that killed off 17 miles of the Alamosa River.

Bush's "new breed" bears the distinct reek of the old-guard GOP; his bait-and-switch tactics hark back further, to the Trojan Horse.

But let's give W. the benefit of the doubt. Assume that he believes, and possibly understands, the drivel that seeps from his maw.

George could regain our trust by making good on at least one assertion, that "it is the President's job to stand up to express the will of the people."

Stand up and step down, W.; the will of the people was expressed months ago, when they decreed you an Asshole unfit for public office.

FARTS IN THE WIND

Ralph Nader: Political irrelevancy Nader finally made his mark in the 2000 presidential election; too bad it was a shitty skidmark. Despite certain defeat, the eco-centric Green Party candidate continued his White House bid, tilting the field for George W. Bush, whose short list of goals includes plundering the Arctic National Wildlife Refuge for his oil cronies' benefit. Nader theorizes that a Bush Administration will at least galvanize liberals. The only shock is that someone hasn't loaded this Asshole into a Corvair and pushed him off a cliff yet.

Anna Nicole Smith: $450 million can swell a girl's head, especially when she tends to swell anyway. Porky pinup Smith was shocked that *Playboy* capitalized on her grab for her late husband's fortune by reprising a previous photo-set of the heifer. "They didn't even ask," Smith grunted. If HUSTLER asks nicely, Anna, will you pack up your fat Asshole and go the fuck away?

Try the Frog's Legs

The French Erection

In *Roy Stuart, Volume III* (Taschen, 2000, $39.95), the Paris-based photographer pushes the boundaries of erotica with shots of natural-looking models in carefully contrived settings. The artsy mix of bondage, diva domination and nerps in the morning light produces dramatic effects, not the least of which is a boner.

Be forewarned: Stuart breaks up his parade of fuzzy nymphets and fetish girls with a clutch of stomach-wrenching images, including a few postmenopausal hags being fondled. Is this a comment on sexuality or the artificiality of glamour? Or is it just the *auteur* jacking off over grannies? Skip those pages. Some boundaries are better left in place.

Roy Stuart, Volume III is widely distributed. If the title is unavailable in your area, most online booksellers carry it.

Almost makes up for that whole Nazi capitulation thing, doesn't it?

In the early '70s, it became fashionable for men who had gone clean-shaven to put beards on their faces—particularly a redhead's beard.

Sweet Honey

The February 2001 issue of HUSTLER is fantastic. This month's Honey, Sandrine (Sandrine: Do Me Now), is the most gorgeous woman I've ever seen. Please bring this beautiful specimen back and let me know how I can send her a fan letter. —S. A.
Minden, West Virginia

We agree, S. A.; Sandrine is so hot that we had to distribute bibs to the entire staff at the photo studio. As far as sending your fan mail goes, you've just done it.

More Action

Bravo for adding another hard-core boy/girl pictorial to the February 2001 issue of HUSTLER. Shots of men and women screwing are my favorite. As far as I'm concerned, the more HUSTLER has of these pictures, the better. Hopefully this trend will continue in future issues. —N. N.
San Francisco, California

Couples for Coupling

My husband and I both love reading HUSTLER. We agree that your pictorials are the best, but we would like to see more boy/girl layouts to help us discover new sexual positions. For the sake of curious couples, please give us more fucking. —S. W.
Wiley, Georgia

Every issue of HUSTLER now comes with an extra serving of hard-core screwing. Part of a complete fulfillment package, HUSTLER gives strokers more of the vitamins they need to grow strong bones.

Classic Cooze

I want to compliment you on Christi (Christi: Fur Trap, January 2001). This gorgeous, fiery-tressed ginch is the hottest babe I've run across in some time. I'm a huge fan of freckles and fine, red bush. Christi's resemblance to former Saturday Night Live cast member Laraine Newman doesn't hurt a bit either. Thanks a ton. —J. S.
Hayward, California

You're right; strawberry is a great twat topping, and Christi's dessert looked delicious. That's why we came back for seconds and reprised her set as a Classic pictorial. When it comes to fuckable *SNL* alum, though, we're partial to Julia Louis-Dreyfus.

Sandrine: Do Me Now

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

HUSTLER Cover-up?

Your December 2000 cover features one of the most beautiful girls to grace the front of a porn magazine. Sadly, there were only three small pictures of her inside. When your competitor, Club, pulled the same bullshit, I stopped buying their magazine. By not fulfilling the promise of your cover, you've come very close to losing a reader. Don't let it happen again. —J. B.
Brooklyn, New York

Not only did Sylvia Saint appear *twice* on HUSTLER's December 2000 cover (thanks to photographic wizardry), but she also occupies eight more pages in a hard-core layout (*Sylvia & Devon: Sun-Strokers*) and shows up in the table of contents. We love stroking to the beautiful Saint as much as the next guy, but maybe you should lay off a little; excessive masturbation is apparently making you go blind.

A Vote for Bush

I've been a HUSTLER reader for many years and really enjoy the inclusion of Classic layouts in your magazine. Those chicks of yore really knew how to grow a nice pube patch. In your recent issues, I've been subjected to a profusion of shaved snatch. Sure, your

Peeved Veep

I'm writing in response to Dave Carnie's Sex Play article, "Blown Alone: Test-Driving the Motorized Orgasmic Release Device" from the February 2001 issue of HUSTLER. As the vice-president of public relations and advertising for MOR Enterprises, the manufacturer of the Motorized Orgasmic Release device, I can't help but express surprise at the tone of Mr. Carnie's article. Though the story makes for comic reading, we're disappointed that Mr. Carnie couldn't (or wouldn't) follow the easy-to-understand instructions and instead chose to place the MOR on a table with wheels. Had he given it a moment's thought, he would have realized that a device of this kind was purposely built solid, so that it can stay in one place and provide hands-off action. By substituting cuteness for astuteness, Mr. Carnie has done a disservice to the readers of HUSTLER who are, I am sure, more interested in facts than Mr. Carnie's slapstick antics. If Carnie opts to whack himself off with his hand, that's his business. However, many men prefer a safe, reliable and effortless means of self-gratification. If Mr. Carnie treats his "meat" as carelessly as he did the MOR, it's no wonder that he failed to get the satisfaction reported by so many of our customers. —Julian Simmons
Vice-President, Advertising
MOR Enterprises Inc.
Pacific Palisades, California

Dave Carnie responds: "You and your machine can go fuck yourselves."

Prison Gripes

In the February 2001 HUSTLER, you tell D. A. of Lexington, Kentucky ("Filth Behind Bars," Feedback), that being denied HUSTLER is "cruel and unusual punishment." You recommend that he hit the prison library and make the system work for him. I wonder why you neglected to tell him that you no longer sell subscriptions to inmates. My guess is that your left hand doesn't know what the right is doing. As an inmate myself, I was forced to put a tracer on the money order for my subscription, which wound up costing me eight bucks. You ought not be telling us bullshit about getting the government to let us read HUSTLER when your sorry-ass selves are cutting us off. —M. W.
Limon, Colorado

For a brief time, our Subscriptions Department was reluctant to send issues to prisons because so many correctional institutions were banning HUSTLER. Thanks to overwhelming demand, prisoners, so long as their facility allows them to, may again receive our magazine by mail. Write HUSTLER, P.O. Box 15928, Beverly Hills, CA 90209-9972 for more information.

Strokers Anonymous

Although I primarily buy HUSTLER for the stimulating scenery, I recently found the time to read your article about the porn-addiction myth, Hooked on Bullshit (January 2001). After studying the accompanying illustration, I realized that this artwork perfectly symbolizes my life. That's me masturbating in the privacy of my own home, as all the people in the background invade my space and spout their disapproval. I'm 50 years old, and have been relentlessly jerking off since I was in the crib. I can honestly say that I've enjoyed every moment of my cum-splattered life. I believe that pornography is nothing more than a tool used for increasing one's sexual enjoyment. Any problems that the folks in this article experienced were around before smut entered their lives, and were only worsened by the meddling of fanatic moralists. I cannot stress how important it is that people accept their own level of sexuality and not feel guilty about it. I want the world to know that I've been a full-fledged, (continued on page 29)

Kraut Pleaser

I'm a German tourist vacationing in Miami, Florida, and believe that I am now in paradise. The weather is beautiful, and every store I walk into has the new issue of HUSTLER on the shelf. Choose Lust

The '80s called, and the decade said, after seeing your cover, it wants its Day-Glo colors back. Seriously though, despite the funky-colored exterior, the February 2001 HUSTLER was one of the better issues I've seen in some time. Group Therapy

I was a wreck after my girlfriend left me for our apartment building manager. I hid in the bedroom for days, emerging only to piss and grab a fresh beer. My sole activity other than drinking was watching *Judge Judy*. My spirit had vanished. I was but a shell of my former self. A concerned friend named Tyler urged me to seek help.

"It's tough when a bitch leaves you," Tyler said. "I was out of my mind after Hilda bailed. I wanted to crawl away and die, dude. But my mother convinced me to join a support group, and it made all the difference. Now I'm good as new!"

Perhaps Tyler was right. I was lonely and hopeless, and I needed to do *something*. Anything. Figuring I had nothing to lose, I signed up with Survivors of Sorrow, a support group for people who've been dumped.

The meetings were held in a harshly lit, basement room in the community center. A patched-together assortment of old chairs, mostly in shades of orange or brown, were arranged in a circle. Four seats were occupied, much to my shock, by gorgeous women. *What the fuck? Who would give up pussy like that?* I marveled. I sat stiffly in a tan plaid easy chair that smelled funny. A leggy blonde occupied the seat next to me. She smiled; I nodded and blushed, totally flustered. How was I supposed to talk about my pathetic life in front of these knockouts? One of the women stood up and cleared her throat. She had torpedo tits and a face like Sherilyn Fenn.

"Looks like we have a small group tonight, and one new member," she observed. "My name is Donna, and I'm a licensed therapist. I'll be our discussion moderator. Sir, would you like to introduce yourself?"

"Randy," I stammered. "I'm Randy."

"And why have you joined the Survivors of Sorrow, Randy?" Donna asked.

"Because..."

My face was burning and purple.

"Because my girlfriend ran off with the building manager."

The ladies all sighed and nodded their heads in sympathy.

"Don't feel ashamed, Randy." Donna placed a cool, soothing hand on my shoulder. "We've all been hurt. We're here to transform pain into pleasure. Ladies, introduce yourselves to our new friend."

"My name is Paulette, and my ex-husband cheated on me," the long-stemmed stunner beside me announced.

"I'm Jordan," said a petite honey brunette. "I was abandoned in favor of an exotic dancer."

"Hello, Randy; my name is Deb."

Deb was a redheaded brick house. She approached me and pumped my hand with a firm, confident grip.

"My husband was banging our college-age baby-sitter."

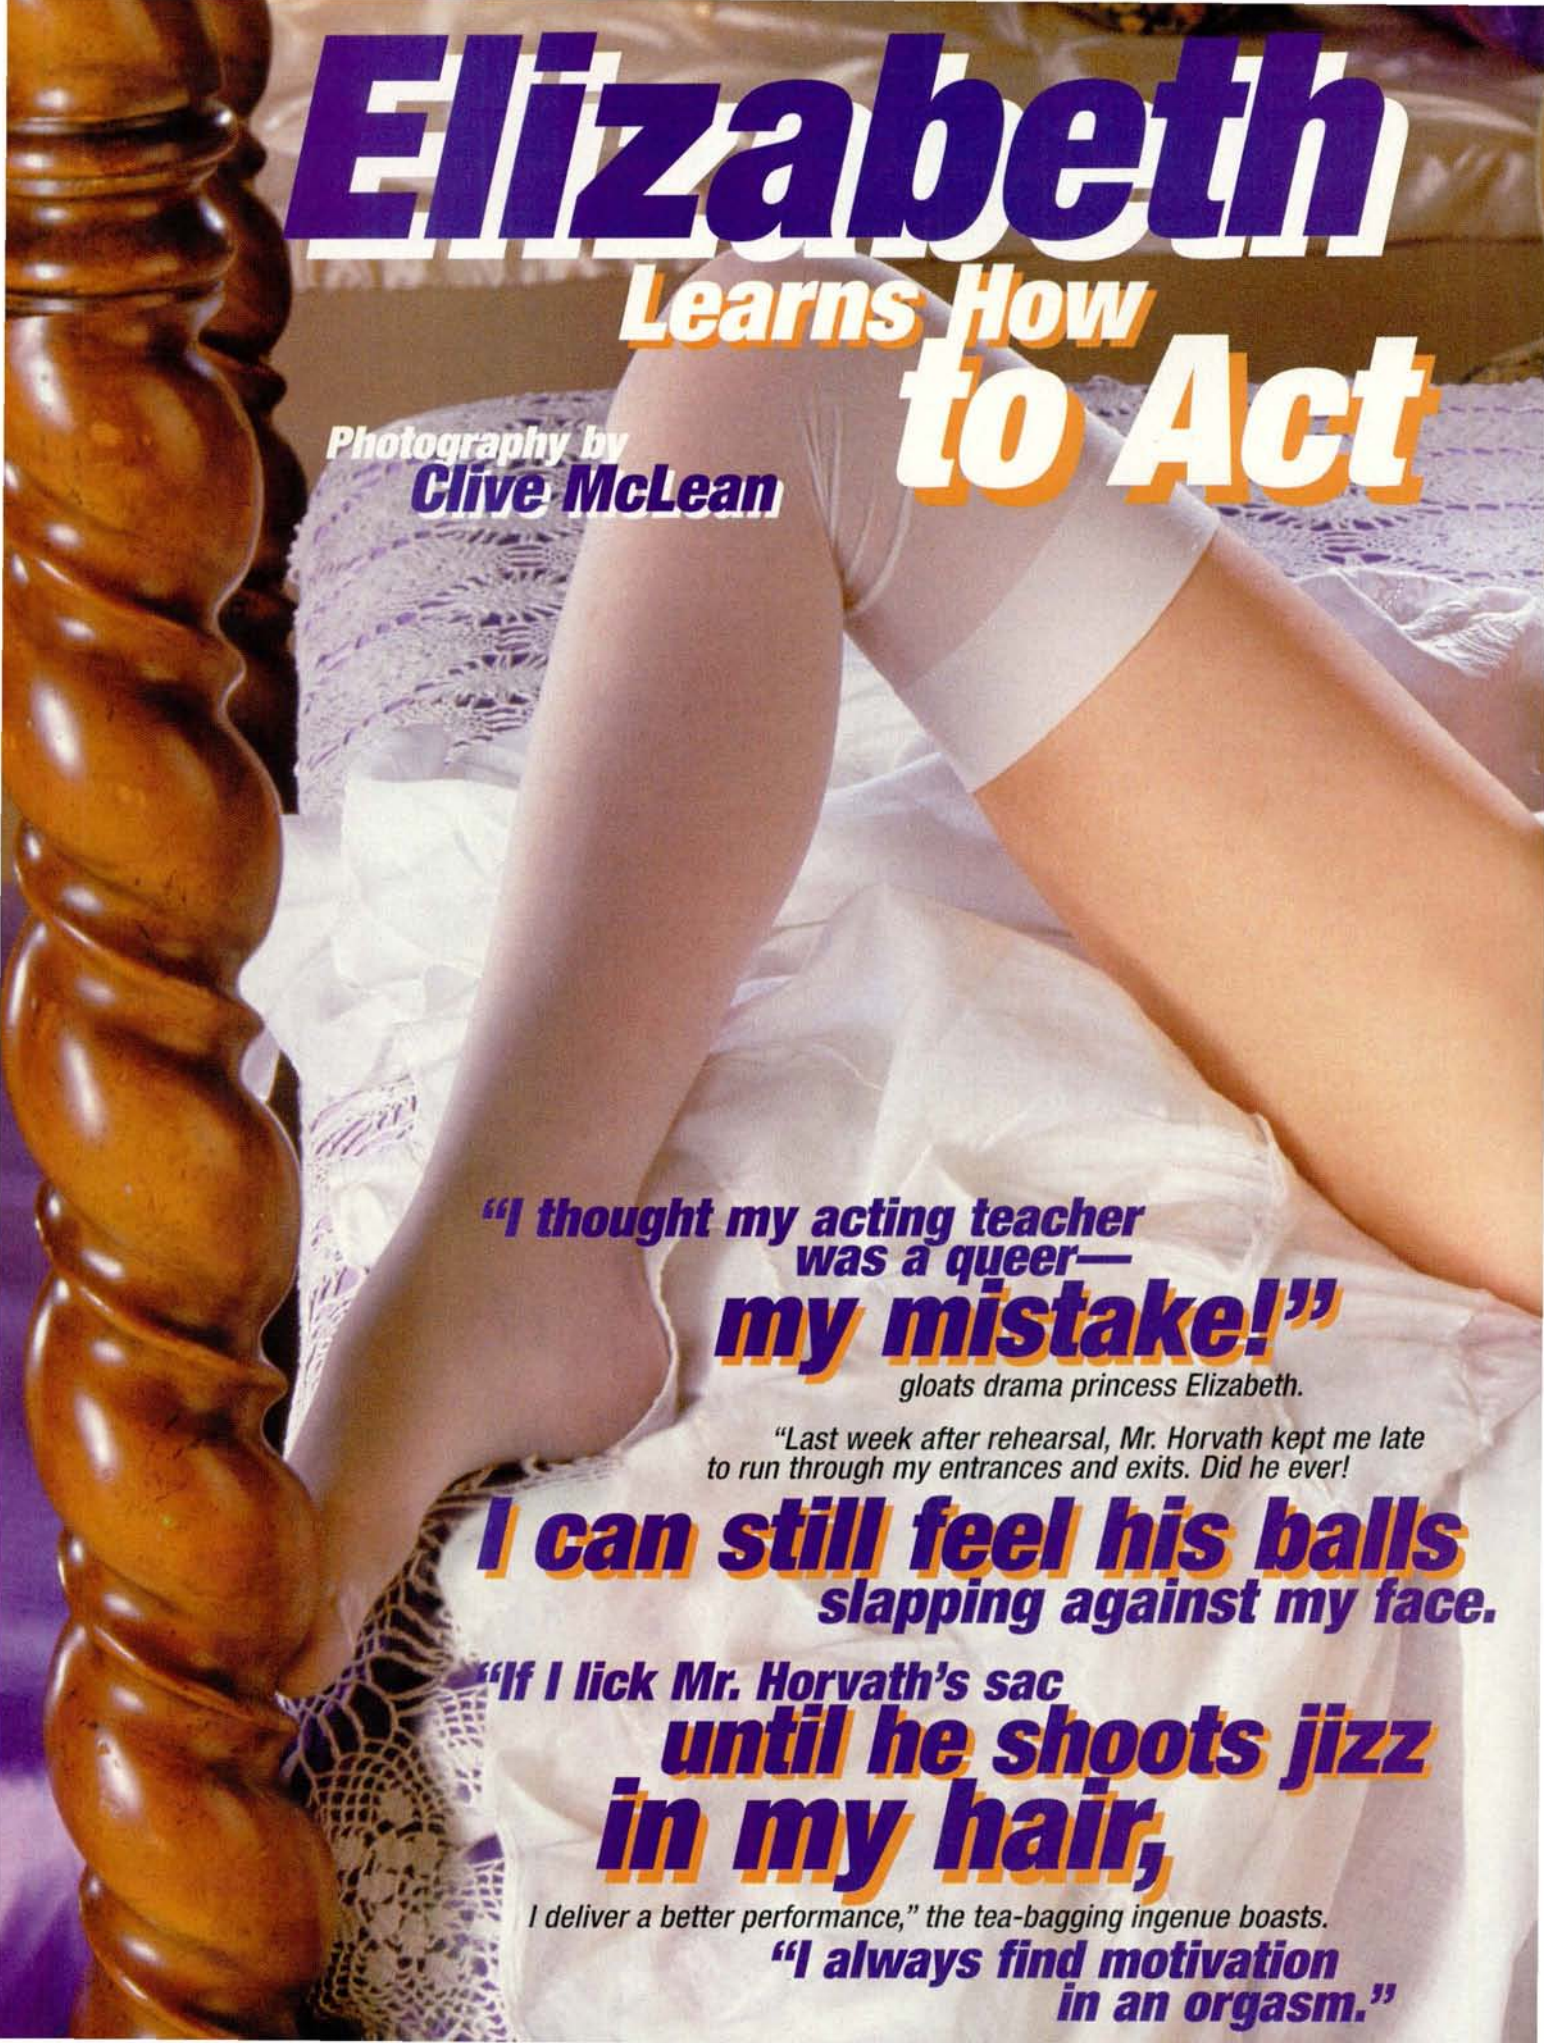
I felt like less of an ass now. Such beautiful women, so radiant, and each had been tossed off like an old sock. Maybe I wasn't such a loser after all. Donna sat next to me and took my hand, her ice-blue eyes staring earnestly into my face.

"Randy, I am a pioneer of a brand of therapy called 'love healing.' Each week, we practice love healing on one another. We are a *very* close-knit group, but I sense that you would integrate nicely. I can tell your heart is kind, and you resemble a poor man's Ben Affleck, which pleases me. Do you feel ready to experience true intimacy and trust through the power of love healing?"

Dumbstruck, I nodded my head. The women began to undress. Donna unleashed her powerful tits. They were buoyant despite their size, and the nipples were a delicate, pale pink. The heavy-mammed healer offered me a teat, which I sucked gently while the other ladies finished shedding their clothing. Deb's body was soft, pale and womanly, and her pubes matched her fiery hair. Paulette was lithe and tan. Jordan's skin was golden, and her boobies were tiny. She looked no taller than five feet. Deb *(continued on page 47)*

Elizabeth Learns How to Act

Photography by **Clive McLean**



"I thought my acting teacher was a queer— my mistake!"

gloats drama princess Elizabeth.

"Last week after rehearsal, Mr. Horvath kept me late to run through my entrances and exits. Did he ever!

I can still feel his balls slapping against my face.

"If I lick Mr. Horvath's sac until he shoots jizz in my hair,

I deliver a better performance," the tea-bagging ingenue boasts.

"I always find motivation in an orgasm."

Desire: *Gwen Summers—high on every stroker's want list.*

Desire: *Suction slut Sydnee Steele.*

Desire: *Daisy Chain in her namesake position.*

Desire

Directed by Joe Robertson.
Starring Gwen Summers, Sydnee Steele, Heather Lynn, Daisy Chain, Randy Spears, Brick Majors, Chris Cannon and Ron Jeremy.
Videocassette: Cal Vista/Metro Inc.

Desire hearkens back to a largely mythical day when porn was opulent, classy and more concerned with giving women orgasms. That's not to say that this Joe Robertson-directed effort is soft. In fact, the final message of the film is one of penile supremacy. Randy Spears plays a schlub with a serious self-esteem problem that leads his wife, the beautiful Gwen Summers, to constantly fuck around on him. Under the tutelage of Sydnee Steele, Spears learns that the best way to control a cunt is to fuck it senseless. A changed man, Randy orders his wife to service him. "Suck my dick right the fuck now," he barks. Summers obediently slurps his rod with gusto before mounting his tool and humping him to vaginal Valhalla. "Don't leave me," Summers begs. "I love you, Henry." Spears responds by blowing a wad in her face, making *Desire* a modern classic of smut cinema. ***—Nicholas Veridian***

Porn Hurts

Neophyte Director Discovers the Pain of Filming Smut

Gia Regency: A walking on-the-job injury.

Shooting blue movies entails much more than paying a couple of people to fuck, then pointing a camera, as Carlos Batts can attest after completing his first XXX feature, *Love Hurts*. Readers of HUSTLER'S LEG WORLD may remember Batts as a former contributor and columnist. Since his departure, the artiste has pursued crossover schemes, preparing a collection of his work for publication and snapping pictures for mainstream publications such as *Vibe*.

Still, being a consummate pervert, Batts couldn't resist the opportunity to film a dirty movie when the offer came in from the notorious John T. Bone. Bone, the mastermind behind several high-profile gangbangs, is better known for hype than for substance.

"He put his balls on the line to produce me; so I give him respect," Batts says in defense of his boss. During the rigors of porn filming, the lenser's words were less positive. "This is my last porno," Batts fumed after key talent Shasta's last-minute cancellation. Plagued by flaccid male talent and a fuse box that blew every time a light was plugged in, by all rights the shoot should have been doomed. But crap equipment and underachieving performers are the low, common denominators of porn work. The typical shoestring hardcore production teeters like a house of cards built by an epileptic. Most remain standing, or at least retain the illusion of doing so.

"Mr. Batts, I'm ready for my close-up."

A shoot more torturous than Apocalypse Now.

The crew captured the needed scenes, and the paid fuckers worked their genitals to the bone. Ted Hunter nailed both Selena and Gia Regency. The two girls each turned in additional scenes. Selena, a gorgeous, raven-haired Latina, straddled a hot rod and fucked herself senseless with a silver dildo. Regency, her face wrapped in gauze and her head encircled by a bizarre medical halo, endured a harrowing bondage scene that included razor-sharp knife play.

Despite the trials of creating a fuck film, Batts is satisfied with his work and primed to reenter the fray. "I stayed true to a fucked-up vision," he proudly says of the finished flick. "I'm already working on *Love Hurts #2*."

Terrors From the Clit #2: *Krysti's XXX rendition of "The Time Warp."*

HUSTLER XXX #3: *She hopes Pierre has wet wipes handy.*

The Violation of Mirage: *"Wait... the bowling pin is still in there."*

Porno: *Kramski's re-creation of Kurt and Courtney's wedding night.*

HUSTLER XXX #3

Directed by Pierre Woodman.
Starring Asian Shan, Judith, Agnes, Marietta, Sidonie, Monica, Sunny Blue, Gabriella, Suzanna, James Brossman, Bob Terminator, Alain DeLoin and Andras.
Videocassette: HUSTLER Video.

Pierre Woodman reaffirms his status as an ace lensman in *HUSTLER XXX #3*. The auteur assembles another team of exotic, beautiful and lascivious women to showcase their sucking and fucking prowess in gorgeous, international locales. Twisted, funny voice-overs introduce each of the five scenes. Among the standouts is the vignette "Harem," in which elaborately costumed knockouts demonstrate how they've been trained to fuck at the sound of a hand clap. Resembling a theatrical rendition of the Kama Sutra, the action is artistically and carnally stunning. Marietta displays her pendulous natural assets to full advantage when she takes on three studs in the aptly titled "Big Breasts Are the Best." Only the gross letdown of skanky Suzanna in the final segment lowers the heat of *HUSTLER XXX #3*'s otherwise outstanding offerings. ***—Clive Thurstwood***

Terrors From the Clit #2

Directed by Slain Wayne.
Starring Krysti Myst, Kiki Daire, Brandy Lyons, Felony, Candy Cotton, Gauge, Tonya White, Kali Stylz, Luciano, Nick East, Mojo, Scott Lyons, Brian Surewood, Brick Majors, Mark Anthony, Mark Woods, Tony Michaels, Brandon Iron and Duke Flyswatter.
Videocassette: Extreme Associates.

Serviceable fucking is bogged down by tributes to cheesy horror shows in director Slain Wayne's *Terrors From the Clit #2*. Pointless references to *Blair Witch Project*, Chucky movies and other horror standards threaten to take center stage, but tried-and-true video whores such as Krysti Myst, Brandy Lyons and Candy Cotton fuck and suck hard enough to resurrect the bones of the dead and undead. All of the horror shtick falls flat, except for the story of Nick East's murderously jealous love doll, which righteously slaughters vacant-eyed Gauge and her stomach-churning stud, Mojo. Otherwise, *Terrors From the Clit #2*'s lame, Crypt Keeper-styled narrator and horrifying scenes of Luciano "acting" drain the blood from unsuspecting boners. ***—C. T.***

The Violation of Mirage

Directed by Jim Powers.
Starring Mirage, Kat Langer, Courtney Taylor, Dyn-A-Mite, Candy Apples, Dru Berrymoore, Daisy Chain and Jamie Lynn.
Videocassette: J.M. Productions.

White-trash bowling dykes sexually assault a prissy bitch in *The Violation of Mirage*. A veteran of Jim Powers's *Violation of...* series, Mirage (a/k/a Brianna Banks) finds herself on the receiving end of a dildo when she pays a visit to a local alley. The busty ginch runs afoul of a gang of lesbo pin pals (clad in "Violators" jerseys), who take offense at her highfalutin ways. After suffering through Mirage bitching about ugly rental shoes that make her feet look too big, the pissed-off slits force the blonde to suck cunt and lick ass. Splayed over the ball return, Mirage succumbs to a quiver of latex dildos, dongs and vibrators. To end their lesson, the girls teach Mirage about the famed seven-ten split by shoving a bone-dry bowling pin into her gutter. Fetishy flourishes such as spit and high-pitched screaming figure prominently into the action, placing *The Violation of Mirage* squarely up kinkier strokers' alleys. ***—N. V.***

Porno

Directed by Kris Kramski.
Starring Allison Kilgore, Brooke April, Gwen Summers, Candie Cash, Sindee Williams, Olivia, Tamia Mia, Regan Senter, Max Hardcore, Dick Nasty, Jim South, Rob Spallone, Johnny Toxic and Ron Jeremy.
Videocassette: Sin City Video.

Pretentious, sexless and lethally dull, *Porno*, Kris Kramski's highbrow meditation on smut, is an exasperating mess. Ineptly employing the "is-it-a-real-documentary-or-is-it-staged?" ruse, Kramski presents a rogue's gallery of porn's movers and shakers, as interviewed by a journalist. Some subjects come off admirably, such as Rob Spallone, who displays a rueful sense of humor and absolutely no denial about what he does for a living, while Max Hardcore maintains his trademark shtick and still seems like a complete fucking psycho. Footage of obese specialty performer Sindee Williams scraping Dick Nasty's cum off her tongue during an interview and strange encounters with angelic, hearing-impaired, preoperative transsexual Olivia, who seems to have wandered in from a Pedro Almodovar film, are more baffling than arousing. *Porno* does more damage to sleaze than any censor could. ***—C. T.***

Phone Sex: *Ultrahot Eurosluts are tres cool.*

Visions of X #2: *Jewel and a splatter-punk.*

Phone Sex

Directed by Anita Rinaldi.
Starring Katie, Olivia de Trevill, Claudia, Monica Moor, Julia, Vivian Hadman, Leslie Taylor, David Perry, Love Child, Nick Lang, Frank Gunn, Alberto Rey, Karl Ben and Mike Foster.
Videocassette: Vivid Video.

French chicks talk nasty and fuck even nastier in *Phone Sex*. For this English-language feature, director Anita Rinaldi has gathered one of the hottest collections of Euro-cooze ever to hit the blue screen. The plot, a torrid tale of oversexed telephone operators, is laughable, since the Gallic cunts can barely barf out a line of our language, let alone deliver dramatic dialogue with any sort of acumen. Fortunately the marble-mouthed stunners are super-slutty; so any narrative nit-picking is moot. One still-shot of these gorgeous slits would be enough to inspire anyone to whack off at their own mother's funeral. A whole tape's worth of the bitches choking down cock, mewling vowel-heavy sex moans and taking anal poundings like addicts is reel-to-reel gold. Despite some annoyingly hyper-kinetic camerawork, the exquisite flesh makes *Phone Sex* a call worth taking. ***—N. V.***

S.M.U.T. #17

Directed by Robert Madison.
Starring Sky, Keisha, Kiri, Tasha Hunter, Kristina Black, Kitty Marie, Shelby Star, Candy Cotton, Lilly, Dillion Day, Lee Stone, Valentino, Ian Daniels, Billy Glide, Joey Ray, Tony Ribas, Cheyne Collins, Scott, Robert Madison, Claudio, Toby Dammit and Harry.
Videocassette: Elegant Angel Video.

Filled with well over two hours of frenzied rutting, *S.M.U.T. #17* can't be accused of false advertising (too bad the same can't be said of goofy spelling). Still, it's Sky's relatively subdued, intermittent masturbation scenes that build anticipation and pay off in spades by tape's end. Each of Sky's solo sequences ups the boner ante until the cameraman finally whips out his prick for the onanistic blonde to gorge herself on. Sky's "consummation" scene is short, and the camerawork is shaky, but the hectic feel only adds to the intensity. As the anonymous dork flips Sky over and slides his wood into her slit, we barely see the turgid tool bisecting her perfect ass. The camera instead swings toward her face as the rhythmic pounding slams her visage against the mattress. The rest of *S.M.U.T. #17* offers other, equally spankable revelations. ***—N. V.***

Hot Bods and Tailpipe #16

Directed by Stoney Curtis.
Starring Nina, April, Taylor St. Claire, Tasha Hunter, Autumn Haze, Tavalia, Cheyenne, Julie Meadows, Herschel Savage, Mark Davis, Lexington Steele and Mickey G.
Videocassette: Celestial Productions.

Hot Bods and Tailpipe #16 keeps itself in high gear, thanks to stunning slits such as Julie Meadows, Nina, April and Taylor St. Claire. Along the way, vintage American gas guzzlers serve as backdrops to a fist-pumping ride that connoisseurs of sleaze and classic cars will equally enjoy. Some modest attempts are made to tie together the fucking, but the plot advancement is mercifully unintrusive. More important matters, such as April and mega-knockered Tasha Hunter gobbling Mark Davis's hefty cock before the mook drills their holes raw, always take precedent. Autumn Haze deserves special recognition for navigating Lexington Steele's massive pud, but the star of the show is Taylor St. Claire. The statuesque fuck doll showcases her stunning, all-natural body in a ferocious romp with foreign goddess Nina. *Hot Bods and Tailpipe #16* never backfires. ***—C. T.***

Visions of X #2

Directed by Jerome Tanner.
Starring Jewel De'Nyle, Tasha Hunter, Gwen Summers, Heather Lynn, Dru Berrymoore, Dale D'Bone, Chris Cannon, Lee Stone, Jason McCain and Rafe.
Videocassette: Legend Video.

Rousing screw scenes make *Visions of X #2* a fine example of how to do hard-core movie parodies right. Director Jerome Tanner takes aim at the horror flick *Scream*, but credit is due to writer Nelson X. The opening scene, in which Jewel De'Nyle fields a phone call from a perverted XXX fan, is almost too clever for smut. The "rules of porn" (which include, "never, ever order a pizza") are dead-on as well. Still, the well-wrought mimicry is mere garnish to the energetic fuck scenes. When Tasha Hunter is boned by delivery boy Jason McCain, the onscreen sparks are palpable. "I just love sausage," Hunter coos as she tastes McCain's kielbasa. Jason pounds Tasha's twat as the cock-socket reaches around and fingers her own colon. Even the casting is done with a wink and a smile, making viewers wish the "real" Dru Berrymoore did anal scenes. *Visions of X #2* pokes fun as skillfully as it pokes pussy. ***—N. V.***

Hot Bods and Tailpipe #16: *Autumn Haze undergoes her annual smog check.*

S.M.U.T. #17: *"Say hello to my little friend."*

Mute & Motormouth: *Back-alley blowjob.*

Hard-Core Animation Hits the Big Screen

Film festivals are usually stuffy, dull-as-dirt affairs that are more suited for stroking goatees than blood bones. *Spike & Mike's Sick & Twisted Festival of Animation*, a touring road show of perverted animated shorts, offers the kind of rowdy fun and visceral, XXX eye candy that HUSTLER readers appreciate.

Re-creating the glory days of the midnight movie, *Spike & Mike* screenings are more like rock concerts than movie premiers. Beach balls bounce above the heads of the stoned, drunk and/or otherwise whacked-out audience. It's the onscreen happenings that have established *S&M* as a carnival of two-dimensional raunch though.

Where many highly touted 'toons, such as *Fritz the Cat* and *Heavy Traffic*, barely scratched the surface of animation's hard-core possibilities, *Spike & Mike* showings take nastiness to delicious new depths. "We've gone places with animation, sexually and graphically, that no one else has," crows cofounder Craig "Spike" Decker, who launched the annual fest in 1990 with Mike Gribble.

The "daring" full nudity of adult-animation pioneer Ralph Bakshi is *Flintstones* stuff compared to the explicit sexual situations drawn out by *Spike & Mike*'s filthy fare. Cum facials, blowjobs, penetration and scat play all figure into the mix (e.g., *Mute & Motormouth*, the tale of two deformed cretins' run-in with a pregnant crack whore). Plenty of stomach-churning gross-outs and doses of ultraviolence permeate the *Bits & Pieces*-style funnies.

Sloach's Funhouse: *A greasy, stop-motion facial.*

The Booby Trap: *Betty Boop this ain't.*

Scout's Honor: *Sex dolls in action.*

With a track record that includes premiering the original, ballsier *Beavis & Butthead* episodes and a tour with the band Korn, *Spike & Mike's Sick & Twisted Festival of Animation* is rapidly becoming the first (and longest) name in over-the-top artistry, earning *Erotic Entertainment*'s quasi-porn seal of approval.

Call (800) 457-7453 to purchase videos and related merchandise, or check out www.spikeandmike.com to find out when the fest hits your town.

Dyn-A-Mite's 21st Birthday Gangbang: *Caked-on icing.*

Partners Forever: *Temptress unloading a weapon.*

Decadent Divas #9: *Kerkove works her way around the "four-finger" rule.*

Dyn-A-Mite's 21st Birthday Gangbang

Produced by Johnny Sharp Jr.
Starring Dyn-A-Mite, Herschel Savage, Ron Jeremy, 20 birthday buddies and "Wack Pack" abomination High-Pitched Eric.
Videocassette: VCA Xplicit Pictures.

A pox on the evil editor who included the sight of High-Pitched Eric (known to those with poor listening habits as one of Howard Stern's buffoonish sidekicks) losing his virginity to the spunk-chugging title slut in *Dyn-A-Mite's 21st Birthday Gangbang.* What could have been a decent gangbang is deep-sixed by interminable footage of obese freak Eric negotiating his performance fee *down* with the vid's suitably bemused producer. Dyn-A-Mite manages a good pre-gang-bang fuck with Herschel Savage before taking 20 messy loads from her eager birthday buddies. Unfortunately, Eric provides Dyn-A-Mite's 21st cum-squirt. Reaching legal drinking age isn't much consolation for the taffy-pulling ordeal Dyn-A-Mite goes through when trying to coax Eric's horrifying schwantz to rigidity. Even a motivational speech from Ron Jeremy doesn't give Eric the power to perform. *Dyn-A-Mite's 21st Birthday Gangbang* goes out with a whimper. **—C. T.**

Partners Forever

Directed by Brad Armstrong.
Starring Temptress, Alexa, Justine Romee, Randy Spears, Alec Metro and Jason McCain.
Videocassette: Wicked Pictures.

In *Partners Forever*, Randy Spears comes back from the grave to avenge his death. The story presents the kind of supernatural drama that we've seen a million times before (perhaps in this very edition of *Erotic Entertainment*). What makes this picture unique is director Brad Armstrong's masterful incorporation of this theme into the sex scenes. During a visit to his widow Alexa, Randy possesses Temptress for one last fling with his wife. As Temptress slurps Alexa's twat, a quick edit reveals Spears in the same position, munching on the mourning muff. The scene continues through each sexual position with both specter and host molesting, mounting and pounding the bereaved snatch. When the ex-partners finally pair up for a spirit screw á la *The Entity*, the camera occasionally cuts away from Temptress riding Randy's piece to shots of the brunette humping thin air. Such creative carnality makes *Partners Forever* heavenly. **—N. V.**

Decadent Divas #9

Directed by David "Pussyman" Christopher.
Starring Brianna Banks, Brigette Kerkove, Amber Michaels, Dolly Golden, Carolyn Monroe, Charmaine, Shay Sights, Gina Ryder and Jewel.
Videocassette: Legend Video.

Decadent Divas #9 is a slick procession of outstanding female talent dressing up and going down. The flick has a semblance of plot, and the occasional struggle by the likes of Shay Sights to recite expository dialogue creates only a minor distraction—it's actually downright funny when porn chicks try to talk without genitalia in their mouths. The major draw here, Brianna Banks (formerly Mirage), has a beautiful face, poise and a stunning body that make her among the most promising stars in the jizz biz today. Banks's hot threesome with Jewel and Dolly Golden provides a generous taste of this starlet's potential. A ball gag in Jewel's obedient mouth adds some kink to the proceedings, and as always, Brigette Kerkove sticks lots of odd things in her ass. *Decadent Divas #9* is immoral in all the best ways. **—C. T.**

"Let go of grief and despair," Donna panted, unzipping my pants and massaging my swollen member. "Feel the bad energy melt away."

(continued from page 31) joined Donna and placed one of her big milk sacks in my mouth, gently nudging Donna's nerp aside. The creamy breasts took turns sliding across my tongue. My crotch ached. One chair over, Jordan straddled Paulette. The two French kissed and ground their coochies against each other. Paulette's immaculate, red fingernails dug into Jordan's tight little bubble butt.

"Breathe. Let go of grief and despair," Donna panted, unzipping my pants and massaging my swollen member. "Feel the bad energy melt away."

My cock pulsated in Donna's hand. Her palm slid up and down the shaft. Deb, with one tit still bobbing in my mouth, stroked Donna's bald conch, spreading her shiny, pink labes and gently flicking her engorged clit. Donna moaned as two of Deb's digits slipped inside her snapper. Her grip on my dick tightened. Deb popped her udder from my lips and crept behind Donna, sinking to her knees and plunging a swift, pointy tongue into Donna's slot. Donna dropped to her knees, pulling me off the chair and onto the floor on my back. Crouched like a cat in heat, our mediator thrust her ass in the air and shoved her drippy cooter into Deb's face. My boner disappeared down Donna's throat. The sloppy sounds of oral sex echoed through the cavernous room. I closed my eyes and savored the wet tug of mouth on my cock. Something warm and slick landed on my nose.

"Lick it."

Paulette was sitting on my face. I wormed my tongue into her tight slit. Tangy girl juice dripped into my mouth. To my left sat Jordan, her legs spread wide with her pussy facing me. Her fingers sawed her slot frantically. Paulette bounced recklessly on my face. I feared she'd snag her twat on my teeth; so I clutched her hips and steadied her rhythm. Donna's head continued to bob tirelessly on my dong. My balls rumbled, and suddenly Jordan cried out.

"Fuck my ass!" she squealed. I turned my head to see nothing but booty. Donna stopped sucking.

"You give Jordan dick, you give us all dick," she counseled.

"All right," I nodded, disentangling myself from the jungle of limbs and kneeling behind Jordan, who was busy spitting into her hand and lubing her anus with slobber. I placed my palms on her buttocks and admired her shiny rosebud before wedging my peter inside. *Fuck*, it was tight! Jordan whinnied, giggled and groaned as I reamed her bottom. The other girls watched and played with each other's pussies. In no time, Jordan was howling and bucking, her body wracked with orgasmic tremors. It took Herculean strength for me to contain the raging seed boiling in my balls.

Nonetheless, contain it I did, all the way through Paulette's smooth, tight pussy, then Deb's warm pouch and, finally, Donna's hot pocket.

"Release all those pent-up frustrations," Donna huffed as I jackhammered her puss with psychotic abandon. "Let it all *ouuuttttttt*."

Donna moaned hoarsely, her pelvis thrashing in ecstasy. My furious load exploded deep in her womb. My mind went black, and my heart nearly burst.

"I don't hurt anymore," I wailed. "I am healed!"

Of course, wounds take time to *truly* heal. I require quite a few additional sessions with the Survivors of Sorrow before I'm able to feel that my heart has fully mended. —R. T.

Girls in Love

I was dumb enough to marry straight out of high school. The holy union lasted all of ten months and landed me back in my mom's house, dead-ass broke. Mom drives me fucking nuts; so I snagged the first job I was offered: concession-stand attendant at the fair. The sooner I could scrape up enough money for my very own one-room efficiency apartment, the better. I took every possible shift because I needed the cash and I needed to stay the fuck out of my mother's house.

My co-workers at the fair soon started to feel like my family. I spent at least 12 hours a day in that concession stand and took smoke breaks with the kids who worked the ring toss and duck-shooting games. I was making some excellent friends, but I had no interest in romance. Of course, not a day passed without some dude commenting on my silky, blond ponytail; fresh, freckled face; and long legs. I wasn't having any of it. I had fallen for slick come-ons before and wound up a bitter divorcée at 19.

Then I met Truvy. Truvy's a 19-year-old runaway who came all the way up

Truvy opened her legs wider. I flicked my tongue into her snug hole, savoring the feeling of her soft clam closing around my tongue.

here to Knoxville from some dump town in central Florida. Truvy operates the Angry Spider ride. We first met late one Saturday. I'd wrapped up the last of the hot dogs and wiped down the soda fountain. I was plopped in my chair, munching leftover popcorn, when Truvy sauntered by, her knobby knees exposed in a scrappy pair of denim cut-offs, her thin arms dangling from an old, black Misfits T-shirt. Her straight, dark hair glinted under the flickering lights of the Ferris wheel. She pulled up a chair and sat down beside me.

"Hey," she said, "I'm Truvy."

The midway vixen extended her thin hand toward me. An inexplicable shiver crawled up my neck. I sucked in her heady bouquet of spun sugar and cigarettes. The aroma made my belly flutter the same way it had right before I allowed a penis inside me for the first time.

"I'm Gabi," I replied, my face hot and shy.

Soon Truvy and I were talking like old friends. We sat in those two chairs sharing secrets while the last lights of the fair switched off with a *clunk*. Truvy's soft, raspy voice blended with the crickets. I felt dizzy, but good.

"Let's visit the Angry Spider," Truvy said. "I have some bourbon hidden in my station. We can crawl up into one of the seats and get drunk."

The Angry Spider's cars hung off its thick, steel arms from swinging hinges. Truvy and I clambered into the highest compartment we could reach. Giddy with booze and girlish delight, we rocked back and forth so the car swayed.

"You ever touch another girl?" Truvy asked.

"No," I said. My heart stalled, then started back up again, pittering frantically.

Truvy's hand fell onto my bare knee. Her skin was cool. Goose bumps prickled across my body. My nipples hardened, and I felt damp between my legs. I closed my eyes, and Truvy's rosy, beestung lips pressed against my mouth. I parted my lips; Truvy's tongue flickered lightly against mine. A gentle pressure mounted in my crotch. Truvy's cool hand crept under my blousy white tank top and stroked my puffy nipples.

"Lean back," I whispered. "I want to see what your titties look like."

Truvy smiled and draped herself across the black vinyl seat. I lifted her T-shirt and stared. She was braless, and her breasts were small, like mine, but slightly pointier, with darker tips. I pressed my face into her chest and inhaled her strange, feminine scent. Carefully, I tasted a nipple. It was sweet, and kind of spicy, like cinnamon. The flavor was intoxicating; so I sucked the fleshy spigot for a while, dragging on it like a bottle. The more I quaffed, the more excited I became. Before I knew what I was doing, I had Truvy's cut-offs down around her ankles. Her coochie was wet. The soft curls on her mound were damp and fragrant. Slowly, I rubbed her delicate labes with my fingers. A sigh escaped Truvy's upper lips. I pressed my mouth against the inside of her thigh and pushed against her flesh.

"You want me to kiss it?" I asked, my voice trembling. "Your pussy?"

"*Uh-huh*," Truvy breathed.

Truvy opened her legs wider. Her hips rocked longingly. I stuck my nose between her cunt lips and inhaled deeply. The dark place smelled like the ocean, but hot. Truvy stuck her fingers in my hair and scratched my scalp. I flicked my tongue fast into her snug hole, then slowed to savor the feeling of her soft clam closing around my tongue. I fell into a firm, steady rhythm: running through the slit, dipping into the hole and lapping back again. Truvy's soft, lazy moans excited me. My blood-puffed pussy was tight in my shorts. I thrust my hand down my pants and frigged my wet tang. I was buzzing down there.

"Please don't stop; please don't stop," Truvy panted.

Sweat beaded on her thighs and wet my ears. I licked steadily, ceaselessly. My fingers danced maniacally in my pants. Truvy crushed her cunt hard into my face, her hips shaking and her head thrown back. She howled as she came, hurtling my own pussy into ecstatic throes. Back and forth, the car rocked, dangling from the Angry Spider's leg.

Thanks to Truvy, I moved out of Mom's place way faster than I could have by myself. Between the two of us, Truvy and I managed to afford a one-bedroom just a few blocks away from the fairgrounds. It's even furnished.

Girls can't get married, but Truvy and I share a bond far more sacred.

Jeanna Fine Tells the Fucking Truth

Oral Bliss?

My wife won't give me messy blowjobs like the girls in porn tapes do. She always takes long breaks in between tastes of my prick, and she refuses to let cum dribble onto her face or to swallow my jizz. I don't want to pop on her mug every day, but an occasional facial would be nice. Please help me snag the kind of oral action that I've been dreaming of. —C. O.
Phoenix, Arizona

Manners are of the utmost importance here. Try using XXX videos or magazines to illustrate how hot a chick's mouth looks while giving head. Be sure to tell your wife that her lips would look just as beautiful wrapped around your cock, dribbling your seed or performing whatever other oral treats you desire. Remember not to slack when it comes to giving your partner *her* share of stimulation. The best way to earn a good back scratching is to give one first.

Son of a Whore

I always thought that one of the advantages of screwing hookers was not having to worry about pregnancy. Was I ever wrong. I recently had sex with a callgirl from an elite escort service. After the deed was done, I pulled out and saw that the condom she provided was broken. After some discussion, she seemed against the prospect of an abortion if she turned out to be knocked up. I recommended going to a doctor for the "morning after pill," but she wasn't down with that either. If worst comes to worst, do I have any legal obligation to this girl? —K. L.
Aurora, Illinois

The first thing I'd do is lose the number of that escort service. I'm not a lawyer or judge; so I don't know if you'd be bound to do anything for this girl. Trust your conscience to lead you to do the right thing if she ends up having your child.

Bad Company

I recently had a bad experience when trying to join a swingers club. I was a little nervous; so I used a nickname when I sent in my membership fee. When they asked for a copy of my driver's license, they got mad about me using an alias and rejected my application. To add insult to injury, they started spreading shit about me to the naturist club I used to belong to, telling people that I have AIDS and bragging about how they took me for my money. Is it common for groups such as this to dick people around and try to ruin their reputation? Can I sue? —A. A.
Springfield, Illinois

You have no problem showing strangers your balls, but are too shy to tell them your real name? The in-depth application process of most swingers groups is a precaution against inducting those with criminal records, such as sex offenders, hatchet murderers and the like. Forget the courts. Now that your good name has been smeared in the local group-sex circle, a new alias and zip code would be your best move.

Lap Dance Deluxe

A buddy at work told me that there's a gentleman's club in Texas where "up close and personal" encounters with the dancers are available. He says that these girls will fuck and suck you to your heart's content, as long as you spend enough. I've been going to all-nude clubs for 25 years and have never been propositioned to buy stripper sex (which I would in a heartbeat). Did I miss the meeting where they taught the secret password? Jeanna, please give me a primer on scoring trim at a strip club. —J. W.
via Internet

In all likelihood, you've been frequenting upscale clubs that feature beautiful, high-class girls. Places that turn a blind eye to prostitution are usually scraping the bottom of the barrel. It's not unheard of for a dancer to let a customer know that she's available for more than a lap dance. A setup such as this may sound like a dream come true, but it could turn into your worst nightmare when the SWAT team and local news cameras bust down the door. Stick to the high-class joints and go to an escort service if you want to pay for pussy.

Cut Me Loose

I was circumcised as a child, and without its natural protection, the head of my cock is incredibly sensitive to the point of discomfort. I'm not exaggerating when I say that my prick is driving me up the fucking wall. My current HMO has recommended trying different underwear and a prescription numbing cream. Neither of these remedies has worked. Quite frankly, I've considered having my glans surgically removed, but no doctor I've contacted will do it. I find it mind-boggling that our society sees no problem in stealing foreskins from baby boys, but

Dear Slut

"The office Christmas party was pretty wild. I fucked one of the girls from accounting. Now she's always bursting into my office to give me head."

refuses to deal with the consequences. Any suggestions? —P. Z.
Walnut Creek, California

The kind of professional help you need should come from a shrink. Another option is to hook up with "tuggers," folks who stretch their remaining shaft skin over the cock head to re-create the protection of a foreskin. Either way, don't jump the gun and try to remove your jimmy yourself.

Tit or Tat?

My little sister is only 17 years old and already wants to get a tit job. This weekend, she saw a special on MTV about breast enhancement, and now she's totally sold. I tried to tell her that the show was just an excuse for the network to snag ratings by showing tits. Most of the program was dedicated to showing how happy three girls were after they had surgery. Only a couple of minutes were devoted to a homely girl who became very sick when her implants went bad. My little sis won't listen to me, since I'm her "unhip" 28-year-old sister. Could you give my sibling some unbiased advice regarding implants? —M. P.
Canton, Ohio

The truth is that the female body continues to grow well past the teens. Tell your younger sister to take a look at her family genes. She's lucky to have an older sister and mother—two reliable indicators of what her future rack will look like. If your younger sibling is still set on the idea and can afford to foot the bill on her own, there's not much you can do once she's legal. If she goes forward with the enhancement, don't abandon the poor girl. Offer your sister wisdom, support and love, and be sure that she uses a reputable, responsible surgeon.

Temp Insanity

The office Christmas party a couple of months ago was pretty wild. Long story short, I ended up sloshed and fucked one of the hot girls from accounting in the copy room. We've hooked up on and off ever since. The problem is that she wants sex more than I do. She's always bursting into my office to lick my ass and give me head. I'm starting to understand what it's like to be sexually harassed. I don't want to end the sex; I just want to be able to do my job. What should I do? —W. L.
Chicago, Illinois

You're feeling the consequences of shitting where you eat. If you want to prolong this roller-coaster ride, you need to be creative and start calling the shots in this relationship. Try introducing some bondage and S&M into the mix. When a deadline comes up, you can cuff the slut and lock her in the supply closet while you work. If all else fails, become a really lame fuck, and the horndog will eventually go away and sniff out someone else to hump.

Born Fey

My folks have been divorced for a while, and now my dad has a boyfriend. I never gave a fuck what my father did until I heard some guys at school say that there's a "gay gene." Is that true? Will I turn into a queer when I'm older? That would totally suck, because I love fucking my girlfriend. Am I cursed to become a butt pirate like my father? —D. L.
Great Falls, Montana

Keep fucking and stop worrying about if there's such a thing as "turning gay." You can't catch the homo virus, and there's no cure either. Your father was queer (and closeted) all along. There are theories of a genetic predisposition to homosexuality, but science and logic both indicate that it would be impossible for this tendency toward homosexuality to be solely hereditary.

Making whoopee is one of the most wonderful things in the world, but a roll in the hay with the wrong member of the opposite sex can also reduce you to a festering sack of pus. The joys of unprotected sex with an anonymous pickup must be weighed against potential consequences that read like a special-effects list from a low-budget horror flick—a snot-oozing pussy, a body infested with blood-sucking parasites and/or a penis crusted over with warts. Almost any form of worthwhile human contact, from sharing a beach towel to submitting to an anal gang-banging, can result in infections that devastate the body, gross out would-be sex partners and end lives.

Outside of a monogamous relationship or monastic monkey-spanking, almost nothing fun is 100% safe. The philanderer's risk assessment is familiar: Using a condom reduces the odds of falling ill, but bad things can always happen. Consider the following two pages a handicap sheet in your quest for STD-free satisfaction.

* * *

AIDS: AIDS, a disease that leaves the body easy prey to life-threatening infections, came out of Africa in the early 1980s to drive the last nail into the sexual revolution's coffin.

Oral, anal and vaginal sex can spread AIDS, though in all instances the risks are higher for the "catchers" than the "pitchers." Nonetheless, women can infect their male partners, since the virus is capable of creeping up a man's urethra to deliver its death sentence. Despite a 15-year, multibillion-dollar search for a cure, a person who contracts the virus is still likely to die from it.

The Bad News: While this deadly disease is most common among gay men, nearly a quarter of AIDS sufferers are heterosexual women.

The Good News: You probably don't live in Botswana, in southern Africa, where AIDS infects a staggering 35% of the adult population.

CHLAMYDIA: This bacterial infection is one of the fastest-spreading STDs in America—some four million people are infected each year, 100,000 of whom become sterile. Chlamydia, especially prevalent in people between the ages of 15 and 25, is often signaled by burning during urination, sore balls and discharge from the penis or vagina. Women may feel pain during sex, but 40% to 60% of female carriers don't exhibit any noticeable symptoms at all (only a urine test will reveal if an apparently healthy person is infected).

The Bad News: Women with chlamydia frequently develop Pelvic Inflammatory Disease (PID), which can destroy the fallopian tubes. Surgery cures the infection, often at the expense of the ovaries and uterus.

For men, untreated chlamydia often leads to epididymitis, an infection of the tubes that feed blood to the balls. This exquisitely painful condition can result in sterility. One strain of the bacteria, found mostly in poor countries, attacks the eyes, making chlamydia the world's second-leading cause of blindness.

The Good News: Chlamydia, along with PID and epididymitis, is easily treated with antibiotics.

CRABS: Casual sexual (and several varieties of non-sexual) contact can pass tiny, crab-shaped lice that take root in the pubic hair and live off human blood, resulting in maddening crotch-itch. A woman who gives a blowjob to a man with crabs could wind up with bugs in her eyebrows and eyelashes, which must be carefully tweezed out by a doctor.

The Bad News: Condoms provide zero protection against these tenacious buggers, which have been known to spread typhus, a fatal disease.

The Good News: Over-the-counter shampoo, along with a fine-toothed comb to remove eggs, is all it takes to cook a crab.

GONORRHEA: This highly contagious, pus-producing infection, commonly known as *the clap*, can be passed by as little as a handjob (if infected pussy juices find their way into your urethra), and in rare cases, a

Genital herpes has reached epidemic proportions in America. An estimated 45 million people carry this incurable virus.

kiss. More than 650,000 Americans are infected every year—the highest rate of any industrialized country.

The Bad News: A woman who has sex with a gonorrheal man stands an 80% to 90% chance of catching the clap. Conversely, the odds drop down to less than 50% for men. Twelve percent of women who contract the disease will become infertile. Expectant mothers who are infected might suffer an ectopic pregnancy, where a fertilized egg develops in the fallopian tube instead of the uterus, which can cause internal bleeding and an agonizing death.

Some men are rendered sterile by gonorrhea; others catch septic arthritis, an excruciatingly painful condition that floods the joints with pus cells.

The Good News: Gonorrhea will succumb to hefty doses of antibiotics.

HERPES: Genital herpes has reached epidemic proportions in America. An estimated 45 million people—more than 20% of the total U.S. population—carry this incurable virus. Herpes is sometimes marked by small, recurring blisters on the genitals, but 75% of the people with the disease contracted it from a partner who had no sores at the time of intercourse.

The Bad News: Ninety percent of those afflicted are unaware of their condition. Pregnant women can pass herpes on to their unborn children, who will then have a 60% chance of dying. Only half of those infants who survive will lead normal lives. Being on either end of a mere blowjob can mark a person for life, and condoms aren't even completely effective, since contaminated sex fluids can ooze under the latex barrier.

The Good News: Herpes is manageable if sex partners avoid boning during outbreaks, and use condoms the rest of the time. Antiviral medications typically reduce the severity of attacks.

SCABIES: Perhaps the itchiest STD known to science, scabies is caused by *Sarcoptes scabiei*, a parasitic mite that burrows under the skin, where it gorges on blood, lays eggs and deposits feces.

The Bad News: A mere ten to 15 mites are enough to produce intolerable itching; but in Norwegian scabies (which was first diagnosed, shockingly enough, in Norway, but has since gone global), up to a million parasites infest the victim's skin. This condition is hard to treat, since mite-killing medicines may not be able to penetrate the thick, crusted scabs that scabies can leave on large areas of the body.

The Good News: In its classic form, scabies is as simple to treat as schoolyard head lice.

SYPHILIS: Beethoven and Napoleon were two of the most famous victims of syphilis, a bacterial infection that causes sores around the mouth or genitals.

The Bad News: Untreated syphilis doesn't go away, but hides in the lymph nodes. Symptoms may disappear for as long as 20 years, then return for a devastating terminal stage, which attacks the nervous system and the heart, leading to madness, blindness, numbness and death.

The Good News: Penicillin squashes this bug. Syphilis rates in the U.S. are the lowest in recorded history, but 70,000 new cases are still reported every year.

TRICHOMONIASIS: This affliction is caused by a jellyfishlike organism that is passed via body fluids. In women, trichomoniasis causes a greenish, frothy discharge with a fishy smell that pours out of the vagina in high volumes. In men, the malady turns pissing into an exercise in fire-hot agony.

The Bad News: This practically unknown STD infects 5 million Americans each year. The trichomoniasis organism makes it impossible for hypochondriacs and paranoiacs to use jacuzzis—there is some risk of hot-tub transmission.

The Good News: As a protozoan, this bug may be higher on the evolutionary ladder than a virus or a bacterium, but it's still no match for antibiotics.

WARTS: Genital warts are highly contagious (a blowjob could do the trick) and can grow as big as a fist. Some 20 million people carry HPV, the virus that causes these cauliflower-shaped lesions, but many never realize they are infected.

The Bad News: More than 90% of the time, cancer of the cervix and of the penis is caused by HPV. A carrier is considered infected for life.

The Good News: HPV is spread when it passes through cracks in the damaged skin, but once the warts are removed (they are generally frozen off using liquid nitrogen), the disease can't spread.

The Gospel According to Merle Haggard

Country music's greatest living outlaw warned antigovernment hippies in the 1970s that they trod on the "Fightin' Side of Me." Guess who's stepped onto his bad side now.

Profile by Keith Bearden

Illustration by Jim Blanchard

Merle Haggard is chugging toward central Texas in his home-away-from-home, a 40-foot, custom-built tour bus. The Bakersfield, California-bred singer/songwriter, whose raw, confessional style earned him 39 number-one country-music hits, will play three gigs in the Lone Star State before heading east to serenade blue-haired ladies as they liquidate their Social Security checks in a Louisiana casino.

Joined by his wife and a few trusted road dogs, Haggard sits down to lunch in a cramped dining room set off from his bedroom and his band's Pullman train-style sleeping quarters.

"Everything's the same," Haggard moans, wearily taking in the endless blur of near-identical strip malls, factories and chain restaurants that line the Texas interstate. "If it weren't for those big green signs tellin' you what state you were in, you'd have no fuckin' clue."

Frank Mull, Haggard's gray-haired tour manager, pokes around inside the bus's mini-refrigerator. "It used to be, driving was a good way to get to know America," Mull says. "Now, it's a good way to get to know all the items on an Arby's menu."

"The variety of life is being squashed out," sighs Haggard. "We're blending into each other to make a perfectly boring society. The beautiful, rough edges of life are being whittled away. Music's that way, films and television, people, clothes, even the animals we raise." ➤

Merle Haggard

The grizzled singer howls at nobody in particular: "I hate sameness!" Members of his crew at the lunch table visibly tense up.

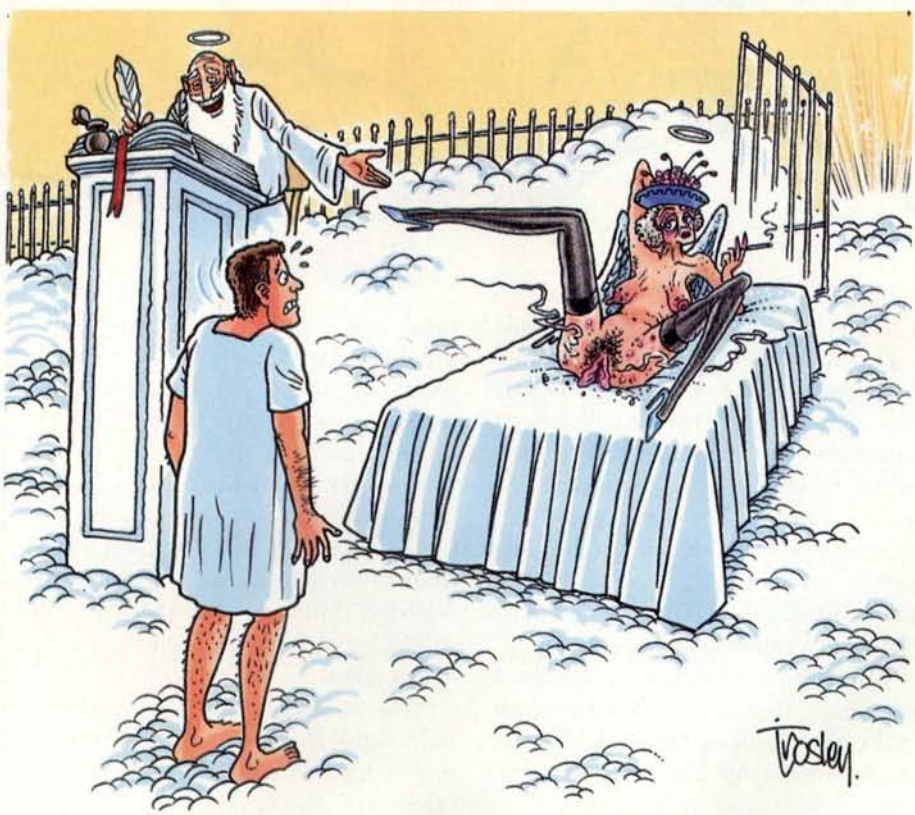
Dramatic outbursts are rare on this, the tail end of Merle Haggard's fall 2000 tour. Trolling for groupies, drug sprees and infighting are normally common diversions on a tour bus, but Haggard's rough-looking bunch, a mix of tattooed Nashville near-retirees and punk/country upstarts, is an amiable gang, content to drink Coors, trade sick jokes ("As a child, I was neglected by pedophiles"), chew tobacco and play music in their cramped quarters into the wee hours.

At the age of 63, Haggard, whose life of crime and wild living is legendary, seems to be hanging up his guns. At times, it's hard to believe that this gentle, weary-eyed patriarch was once a young miscreant who pummeled a retarded man for his lawn-mowing money. Perhaps unwittingly, one of country music's greatest living bad boys has lived long enough to finally grow up. (When asked about his debauched past, "I'm a lot smarter now" is all he will say.)

Luckily, country-and-western stars, spawned from hearty sharecropper stock, seem to outlast their rock and R&B contemporaries. Keith Moon, Janis Joplin, Jimi Hendrix and innumerable other rockers were deep-sixed by drug abuse, but C&W legend George Jones, who snorted so much coke he performed entire concerts in a Donald Duck voice, is 69 and had a recent hit record. Hard-road compadre Johnny Cash, also 69, keeps on truckin'.

"We're all still pickin', ain't we?" marvels Haggard, who, between his five-day cocaine binges as an adult and the juvenile delinquency of his youth, is lucky to be among the living. "I think it's the grace of God. I get up every day and thank the creator that I've made it this far. God and Hank Williams Sr. We all learned from him, dying so young. He's our foundation. Always remember Hank."

"There is no reason someone can't be proud to be a white Okie, and love a black person too."



"Okay, one more thing.... You once prayed to fuck a movie star. Do Bette Davis, and you're in!"

One of Haggard's secrets to longevity appears to be restraint. He has knocked compulsive drinking, narcotics abuse and car theft off his list of vices. Only one indulgence remains—smoking marijuana.

"I smoke hemp," Haggard clarifies, stuffing a bud of weed into a feathered, Indian peace pipe. "Just like George Washington grew. If it's good enough for him, and 39 other countries around the world who laugh at us and our laws, it's good enough for me."

Haggard appreciates the irony in the fact that Ronald Reagan, who proclaimed pot "the most dangerous drug of all," personally pardoned him of his criminal record back when the Gipper was governor of California.

"Ol' Ronnie never knew what he was missing," Haggard winks, taking another toke.

Merle Haggard has certainly changed his tune since his days as the entertainer of choice at Pat Nixon's birthday party. The man who celebrated the establishment 30 years ago by reminding antigovernment long-hairs that they trod on the "Fightin' Side of Me" is now highly critical of the forces that govern and influence. ("We are not citizens of this country anymore," Haggard drawls. "We're subjects.") He more closely resembles the hippie he became famous for putting down in his signature hit "Okie From Muskogee"—a pot-smoking, tree-loving back-to-nature radical.

We don't smoke marijuana in Muskogee
We don't take our trips on LSD
We don't burn our draft cards down on Main Street
We like livin' right and bein' free.
—"Okie From Muskogee"

In song and sentiment, Haggard might seem hypocritical, or at least mercurial. The same man who penned Jim Mundy's cracker-pride anthem, "I'm a White Boy," also recorded "Irma Jackson," an interracial love ballad.

"There is no reason someone can't be proud to be a white Okie, and love a black person too," Haggard explains. "It's our society that equates personal pride with hatred or distrust of others. We aren't born with that message—it's taught to us."

Haggard's contradictions seemingly extend to religion: The man who leads off his new album with a song, "Wishin' All These Old Things Were New," about missing his '80s coke-snorting days, prays thrice daily, in addition to leading a bedtime family Bible study. Merle downplays the ostensible *(continued on page 78)*

Merle Haggard

(continued from page 68) incongruity.

"Christ died for sinners," Haggard says, taking another hit of weed and letting a sly, self-aware smile break across his face. "Well, I'm the perfect example of what he died for. A Christian is not about what he does or what he should or shouldn't be. All a Christian is, is a believer in someone who can save his ass."

One constant remains in Merle Haggard's world: performing. The man who by his own estimate grossed $30 million in a good year declared bankruptcy in 1993 after decades of gambling (Haggard says he's lost as much as $80,000 in a single night), drug abuse, alimony payments for four ex-wives and the depredation of thieving associates (credit cards he claims he never touched mysteriously maxed out at $35,000).

Financial foolishness drained a fortune any man could comfortably retire on, forcing Haggard to hit the road to feed his family. On Merle's recent cross-country tour to promote *If I Could Only Fly*, his first new record in six years (and first ever on California punk label Epitaph), Haggard and his ten-piece band, the Strangers, have played to an odd mix of college-radio geeks, Winnebago blue-hairs and drunk rednecks who find a perennial role model in Haggard's no-apologies, ass-kicker image. In an era where country hitmakers resemble models in a Wal-Mart ad and are clean enough to sub for the Backstreet Boys, Haggard is one of the last of a dying breed of tough-living, law-breaking, salt-of-the-earth country superstars.

"It's come to the point where America seems ashamed of its working men—the people who bust their ass, have dirt under their fingernails and struggle to get by, much less get ahead," Haggard squints, scratching his scraggly hobo beard. "That's where I come from, and that's who I've always sang for. But now I feel like a man from another time." Haggard pauses, trying not to let anger at Nashville's prefab, vanilla hitmakers bubble up. "I don't dislike what modern country sounds like—I just don't really understand it."

"When they lock your ass away in San Quentin, you get a lot of time to think about who you are and what you do."

Haggard, who grew up in a freight car his father converted into a makeshift house, was a latchkey kid who developed a taste for crime at an early age. Hellish stints in reform schools were the result, where Haggard survived bloody race riots and narrowly escaped death at the hands of sadistic guards and pathological peers. Haggard's criminal behavior persisted, peaking with the "dumb accident" that helped define his outlaw image.

In Christmastime of 1957, unable to find work to support his pregnant wife and young child, Haggard, 20 years old and drunk, masterminded a harebrained scheme to rob a Bakersfield, California, restaurant. Hag and a pal busted in the back door during business hours and were immediately recognized by the owner, the cousin of one of Merle's best friends. Haggard landed almost three years in San Quentin, one of the toughest joints in the nation at the time.

"San Quentin allowed me to learn what real honesty is," Haggard remarks, trying to be philosophical after admitting that, for almost 40 years, he had recurring nightmares about his time behind bars. "I think a lot of people spend their lives lying to their wives, to themselves, to their preacher, their boss, their kids. It's pretty damn hard to be honest to yourself. When they lock your ass away in San Quentin, you get a lot of time to think about who you are and what you do."

As much as Haggard tries to put his prison days behind him, his fans won't let that happen: Crime-themed numbers, such as "Mama Tried," top the list of performance requests from among his hundred-odd songs.

> *And I turned 21 in prison doing life without parole*
> *No one could steer me right, but Mama tried, Mama tried.*
>
> —"Mama Tried"

"I keep telling the band we should do more of the prison songs, and less of the drinking songs. Seems like more people nowadays are in jail than drunk," Haggard quips, eliciting a hearty laugh from his band and crew. Haggard's own smile quickly fades. He is all too aware that in these days of mandatory-minimum sentences, his previous assault conviction and repeated grand-theft auto raps could very well have landed him behind bars for the rest of his life.

"I really feel sorry for the people coming up in society today," Hag sighs.

"Oh, sure, blame everything on the black man!"

"Well, sir, if you don't want to hear about Jesus, would you like to buy some 'angel dust'?"

Merle Haggard

"Back when I was living my life, it was a lot better than this. I don't know if I'd had a chance to turn things around like I did if I were 21 today."

* * *

Merle Haggard's touring itinerary in Texas is a perfect reflection of his eclectic fan base: one gig at a barbecue joint, another at a civic center and a third for public-television highbrows—a live taping of *Austin City Limits*, staged in a small, gray studio in the University of Texas campus library.

Cowboys, housewives, old hippies and young, clean-cut college students have packed the studio, laughing at every one of Haggard's jokes and treating him like the country-music royalty he is. Haggard and his Strangers are feeling spry in this first Lone Star State gig of their fall 2000 tour despite the intrusive presence of cameras, smoke machines and harsh studio lighting.

"A lot of people wanna know how to get into this country-music business," Haggard deadpans onstage. "Well, I've been doing this so long, I say to them, 'I tell you how to get in—if you tell me how to get out.'"

On several occasions during his 80-minute set, Haggard flubs a line or two ("I make my living writing songs...and forgetting the words to them," he banters at one point). Nonetheless, Merle and his band earn a rousing standing ovation. More than three decades after first pricking the country's ears, and despite his own best efforts to derail his career, Haggard is suddenly hip: His new CD is being showered with the kind of mainstream praise rare for a living country musician.

"We have become a constricted, fearful little pussy of a nation. God gave us all these choices, and people on both sides of the political fence just wanna take 'em away."

Back in the shelter of his tour bus, Merle is visibly exhausted. He has only a moment to rest before playing an unannounced free set at a soon-to-be-legendary beer shack far from town. Haggard savors his reinvigorated career, but he can't help feeling that he is writing his own epilogue.

"We're the last of the beer-joint bands—Willie Nelson and us," Haggard sighs. "Honky-tonks have taken a great beating in the last 25 years. Go visit any of the big cities in the USA after midnight—you won't see but two lights on. Places are closed down. Bartenders get tossed in jail for serving drinks to customers—they're just doing their job. Cops wait around the corner pulling people over randomly as they pull out of parking lots. It's bullshit."

"It used to be, if you were even a halfway decent musician, you could work every weekend," adds squat Italian drummer Johnny Kimbell, whose 30 years of credits read like a Who's Who of modern country music. "Now, there are less places to play, or they play records or have people performing to a prerecorded backup."

"All the good things are gone," adds Don Markham, Merle's longtime sax player.

"We have become a constricted, fearful little pussy of a nation," Hag snarls, revealing that the ass-kicker in him hasn't completely given up the ghost. "God gave us all these choices in life, and people on both sides of the political fence just wanna take 'em away."

His ire up, Haggard continues to ruminate into uncharted territory, theorizing that the United States economy is more affected by the price of cocaine than the state of the Dow Jones, observing that the caffeine infusing yuppies' lattes is really a narcotic under a different name, and wondering aloud whether Jesus Christ wasn't actually a space alien mistaken for the son of God.

In the words of Bonnie Owens, Merle's former wife and current band matron (a relationship apparently not resented by Haggard's current spouse, Theresa), Haggard is still the "unpredictable, complicated but simple—and very alive" man she married 40 years ago. Giving up on the wild life has kept Haggard's heart beating, and his rough edges have been softened by the sands of time, but Merle Haggard still lives and makes music as his own man.

"I've always been an outlaw," Haggard says. "I've never wanted to be part of the main picture. I always wanted to be influenced as little as possible by other people.

"[To] anyone who wonders about me and the things I've done, I say this," Haggard intones, leaning forward and staring with an intensity that brings those around him to a nervous silence. "I did not write the script. I'm just part of the play. And that play is still being written."

A gambler who won big decided to hire a prostitute. He wanted something very special for his entertainment dollar, but nothing interested him until a whore offered him "The Hurricane" for $1,000. As they began fooling around, the hooker pissed all over him.

"What the hell are you doing?" cried the man.

"Don't worry, dear," said the tart. "There's always rain in a hurricane."

They locked into a 69. As the man gave her head, the hooker ripped a tremendous fart in his face.

"What did you do that for?" he sputtered.

"There's always wind in a hurricane," she explained.

They continued their foreplay. Before the man realized what was happening, the callgirl crapped on his stomach.

"Why'd you shit on me?!" demanded the young stud.

"Well, there's always mud in a hurricane," the hooker replied. Then the whore crouched on all fours and said, "Now, fuck me hard!"

"Are you crazy?" the john snapped. "In *this* weather?"

"There are three colors," he replied. "Gold, silver and bronze."

"Why don't you wear silver?" his wife responded. "It would be nice if you came second for a change."

Poof! He found himself in a palatial home.

Men Without Balls

For modern-day eunuchs,
the path to sexual liberation cuts through the nut sac and slices off the family jewels.

Castration fanatics explain their stomach-churning kink.

Report by
Dan Kapelovitz

Photography by
Ladi von Jansky

The average guy walking down the street cringes at the prospect of being kicked in the balls, much less having his nuts surgically removed; but some testicle owners want nothing more than to become geldings.

"I feel very glad to have my balls cut off," says Rick, a 45-year-old Seattle, Washington, resident who fantasized about being castrated most of his adult life. "It feels good to have a huge empty area between my legs. I'll be happy if I never have another orgasm." ►

And then there are those extreme eunuchs for whom de-balling is simply not enough. A *nullo* is a neuter who has also had the shaft of his penis removed, leaving only a urethral opening and scar tissue where a dingaling once hung. Nullos are also called *smoothies*, although purists insist that a true smoothie is a nullo who has also excised his nipples.

Steven is a Canadian who travels extensively in Western Europe, visiting dungeons in search of the perfect dominatrix; for Steven, castration would be a dream come true.

"I'm looking for a dominant woman who would enjoy extreme forms of cock-and-ball torture—up to and including castration and removal of the penis," Steven says. "My penis is a nice size—a little more than eight inches long and five inches in circumference. If I could find a dom who would be into it, she would be welcome to keep [my cock and balls], of course."

* * *

History books remind us that eunuchs were trusted harem guards in Ottoman Turkey, and that they were slaves in ancient Rome. In the Assyrian empire, neuters sat at the highest levels of the court and were responsible for granting or withholding access to the emperor. Castration is still practiced by the Hijras, a religious sect in India that claims more than a million members.

At various points in its history, the Catholic Church has also dabbled in castration, most famously by cutting off the balls of prepubescent choir boys. The resulting *castrati* were prized for their high singing voices. (Contrary to popular belief, an adult's voice does not become high-pitched upon castration—the procedure must occur before puberty sets in.)

"I'm looking for a dominant woman who would enjoy extreme forms of cock-and-ball torture—up to and including castration and removal of the penis."

Historical precedent stops well short of explaining why a sane man would want to have his balls removed. For transsexuals, castration is a crucial step on the journey to becoming women; but many eunuchs have no desire to be female, at least in the literal sense.

A substantial faction of nutless wonders are masochistic denizens of fetish dungeons who view their testicles as the ultimate sacrificial offering for their mistresses.

"I'm just a natural-born submissive," explains Derrick, a German eunuch who lives in Australia. "I was born to submit to beautiful women while they laugh and spit at me, because I'm an ugly, fat slut with a little dick and no balls. It drives me crazy when a dominant lady offers cruel, merciless verbal and physical humiliation—maybe she cuts my dick off and throws it in her glove compartment."

"Many of us like the humiliation and total frustration of being completely feminized and used to serve the female sex with a completely useless set of male genitalia," adds Boyjulie, a castration enthusiast who frequents Internet chat rooms devoted to the topic. "To have a cock that does not function, but that is available for punishment and for torment by females, must lead to exquisite humiliation and mental torture."

Leonard, a nullo from the Midwest, believes that castration allows slaves to better worship their S&M (sadomasochism) mistresses.

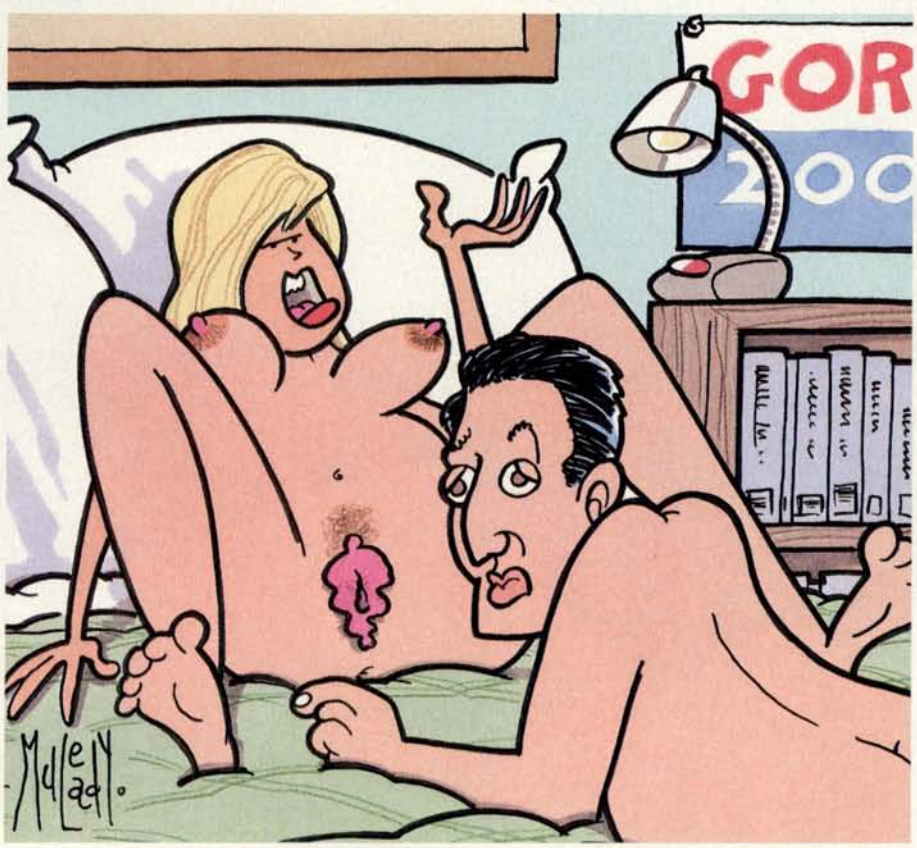
"If a guy has his cock and balls removed, he's only good for about one thing," says Leonard. "And if it's for a mistress, let's just say he gets a lot better with his tongue."

The ultramasochist is one brand of castrato; Gianna E. Israel, a psychologist who specializes in gender counseling and is the principle author of *Transgender Care*, believes that the sex maniac is another.

"These individuals suffer an unremitting libido, which interrupts their day-to-day functioning and relationships," Israel explains. "Most commonly, a husband will be horny every day, all day, while his wife may be considerably less so, and his libido is a dissatisfaction to both. Many times, males prefer to undergo chemical or surgical castration to reduce these feelings of frustration."

Mistress Lena, a dominatrix in Los Angeles, California, who performs extreme cock-and-ball torture (such as suturing the scrotum over the penis with a needle and thread, stepping on the foreskin with her stiletto heel and/or driving heavy-gauge needles through the glans), has had clients beg to be castrated.

"A lot of these guys are sex addicts and compulsive masturbators; they're



"Now the whole world knows what I've known for years.... You can't lick Bush!"

THE ORIGIN OF THE LAWYER SPECIES

just overwhelmed and overpowered by their hormones," Lena postulates. "They feel bad about being male, because men are pigs."

C. M. is a 46-year-old writer living in Denver, Colorado, who injected himself for a year and a half with Depo-Provera, a drug commonly used by women for birth control that reduces testosterone to negligible levels, because his sex drive was completely out of control. Ultimately, C. M. was castrated.

"My sexual fantasies revolved around violent sex, and that really bothered me," C. M. says. "I'd buy magazines and go to porno flicks, and it became an unhealthy thing for me. I was living kind of a double life—wanting something, getting it and being repulsed by it. I was tired of always having the urge and never being satiated; so I decided I would just do away with the urge."

Gerald, a legal secretary from Baltimore, Maryland, says that the presence of testicles in his scrotum almost cost him his career.

"I had a real problem with sexual urges before [castration] and would oftentimes masturbate three or four times a day," Gerald says. "It was very inconvenient and almost got me fired from my job. I still masturbate, but only a couple times a week, and most of the time I can't come; so that makes it more special.

"Another change is in my erotic thoughts," Gerald adds. "Before I was castrated, I was more interested in shoving my dick in an orifice and screwing it. Now I realize that I might not be able to perform, and that my lips, teeth, tongue and fingers might be the only sexual tools I can use. I find that very erotic."

"Now my lips, teeth, tongue and fingers are my only sexual tools. I find that very erotic."

Without testicles, where semen is produced, a eunuch spits very little man milk when he comes; the meager dribble resulting from a no-nut orgasm is mostly clear, and comes from the seminal vesicles and the prostate gland.

While ejaculation is a possibility, a castrated man's sex drive is normally so low that without taking shots of Depo-Testosterone (a synthetic form of the hormone), orgasms may be very difficult to achieve. Prolonged, vigorous wanking may produce a climactic payoff, but the excessive stimulation might also just leave a man's meat stick red and raw.

Why would a man remove his balls and then inject himself with male hormones to regain his testicle-driven urge to hump? According to Gianna Israel, such a case may be suffering from a psychological malady called *genital dysphoria*.

"Essentially these are individuals who do not like the look, feel or presence of their genitals," Israel says. "This can range from dislike of their testicles, to testicles and penis. The majority of [afflicted] individuals have this condition their entire life, and their unhappiness ebbs and flows."

Tom the Nullo, who paid a surgeon $10,000 to cut off his cock and balls and relocate his urethra, knows several people who suffer from this aesthetic displeasure with their nuts.

"Most of these people are saying variations of, 'I do not like my genitals; I have never taken ownership of them as a legitimate part of my body, and I don't like their look or feel. I'm not a female, but I don't like those dangly bits attached to me. They spoil the line of my swimsuit,'" says Tom.

Genital dysphoria may explain the many eunuchs who don't complain about hopped-up libidos, but instead cite lifelong castration fantasies as the motivation that drove them to removal surgery.

"I always thought of my body as castrated," says Randy, who had his testicles removed by a *cutter*, or unlicensed underground surgeon, in July of 1999 and is seriously considering excising his penis in an operation known as a *penectomy*. "I remember that when I was young, I would often tuck myself to give myself a smooth crotch. There was no sexual thing to that at age six or seven, but there was a feeling of familiarity and comfort to it. I don't know what it was that I was born differently with, but certainly there was something."

When asked to explain his bizarre longing to be rid of his family jewels, "Gelding," a heavily tattooed, burly man who lives in Florida, points to a childhood experience.

"I bumped into a guy on the bus in high school," Gelding recalls. "He squeezed my balls and said, 'If you do that again, I'll crush them.' And I still remember that, because it was something that started me thinking about [castration]."

"So...you're one of those Republican assholes who stopped the hand-count and gave us this lame fucking President...."

"Al, c'mon.... You shot your load.... Pull out!"

Eunuchs
Feature

Like Gelding, a castrato who goes by the name No Nuts says that a childhood incident put him in touch with his inner eunuch.

"When I was about 13, my mother caught me playing stink finger with our neighbor's daughter," says No Nuts. "She said if she caught me again, she would have me 'altered.' Well, that stuck with me from then on, until I finally thought it was a good idea too."

According to Gelding, many of the emasculated males he knows are homosexuals who find the absence of balls to be a dude magnet.

"A lot of guys get turned on by the fact that I'm a eunuch," Gelding says. "Just the idea that I don't have any balls and I like to have sex.

"I'm very masculine and hairy, and I found it difficult before getting castrated to get [a partner] to play a dominant role because I look like a dominant," Gelding adds. "But I'm mostly bottom. I used to have a business card that said, CASTRATED GAY MALE."

Victor T. Cheney, an avid castration proponent and the author of a book on the subject, *The Advantages of Castration*, believes he understands men who have their balls cut off to satisfy a sexual kink.

"I just put them in kind of the weirdo category," says Cheney, a retired Air Force Lieutenant Colonel who resides in Florida. In 1993, Cheney was diagnosed with prostate cancer and had his testicles surgically removed. *The Advantages of Castration* touts human neutering as a wonder procedure capable of curing everything from alcoholism to the AIDS epidemic. (Cheney would like to see every HIV-positive man undergo castration to stem the spread of the virus.)

Castration can spur various maladies. Eunuchs often suffer from hot flashes, gain weight, develop rounded hips and even grow breasts.

Cheney asserts that widespread castration could prevent other sexually transmitted diseases, such as syphilis, gonorrhea, herpes and chlamydia. He further posits that castration precludes baldness, acne, priapism, drug addiction, unwanted pregnancies, testicular cancer, and may even prevent strokes and heart attacks by thinning the blood. While all this is plausible, it's equally true that decapitation lessens migraines.

In the "minus" column, castration can spur various maladies. In addition to the loss of blood and infection that may occur during back-alley surgeries, eunuchs often suffer from hot flashes similar to postmenopausal women. Men without balls also gain weight, develop rounded hips and even grow breasts. Osteoporosis is another risk.

* * *

Unfortunately for the wanna-be eunuch, nut removal is easier envisioned than done. Few doctors are willing to perform this unusual operation, often because it appears to be in conflict with the oath that physicians make upon graduating from medical school to "do no harm." In some municipalities, consensual castration, even when performed by a licensed doctor, can result in a criminal indictment under laws proscribing mayhem. The rare physician who will agree to carry out the procedure usually feels justified in charging an exorbitant rate for the service.

Philadelphia physician Dr. Felix Spector is one surgeon who performs elective castrations. Spector did his first de-balling procedure (known as *orchiectomies* in medical circles) in 1957 on a transsexual patient in Casa Blanca, Morocco, and estimates that he has performed several hundred since.

"I keep pretty busy," says Spector, who has a virtual lock on the castration market. "There are about eight or ten doctors in the world who know what they are doing. I think the general pattern is such that it will be better accepted as time goes on, and probably others will enter the field."

Balls are removed from scrota in hospitals all the time, but mostly for pressing medical exigencies, such as testicular cancer. A few doctors are willing to castrate male-to-female transsexuals, but only in accordance with the Harry Benjamin International Gender Dysphoria Association Standards of Care, which require a potential eunuch to go through a psychiatric evaluation and live for an entire year as a woman.

"I think that's a little extreme," Spector says of the guidelines. "It's demeaning. When they come to me, I trust the individual to know what he wants."

Tom the Nullo believes that a man considering castration should discuss the decision with a professional first.

"I would strongly suggest some psychological evaluation *(continued on page 118)*

"It's okay, Laura. It's not an intern. It's Katherine Harris."

Even though Marcie is 18, she doesn't buy her own cigarettes.
"The gas station's right across from school," she squirms.
"Father Mitchell would cane my ass if he saw me smoking."
Buster, the town mechanic, has become Marcie's white knight.
"I grub butts off him for free,"
the legal schoolgirl enthuses.
"And he lets me practice my deep-throating on him.
Buster says by the time I go to college,
I'll be able to suck a boy's balls out through his pisshole.

"Smoking—cigarettes or dick—makes me feel grown-up and sophisticated. I'm even learning how to rim a guy. But I still don't inhale back there."

Eunuchs Feature

(continued from page 100) to make certain that the desire is not an acting out of some fetishistic fantasy, and there are no major psychopathologies," Tom says. "But other than that, I have to say that the one thing each person owns is their own body, and decisions about it should be theirs and theirs alone."

Hiring a licensed physician to perform a castration is not cheap, even without psychotherapy. Dr. Spector charges $1,600 for a two-hour testicle-removal surgery. For an additional $1,200, Spector will slice away the eunuch's scrotum.

Dr. Spector is willing to perform controversial elective surgeries, but there are some lines even he isn't willing to cross—namely, penectomies.

"I'm a little conservative in my attitude," Spector admits. "I will do the castration, but I don't go way out in ways that I'm sometimes asked."

Men who are seriously interested in being divorced from their testicles, but can't afford a surgeon, sometimes turn to cutters, who often work for free. However, aside from entailing far greater risk than in a modern hospital setting, these crude, amateur doctors don't advertise, since practicing medicine without a license is a criminal offense, and are consequently hard to find.

Edward Bodkin, a 56-year-old cutter from Huntington, Indiana, placed ads for his services in *Ball Club Quarterly*, a magazine that focuses exclusively on testicles, and *Unique*, which emphasizes genital modification and removal. Bodkin used everything from cattle-farm implements to manicure scissors to castrate five willing "patients" before his roommate turned him in to the authorities. Bodkin pleaded guilty to practicing medicine without a license and was sentenced to four years in prison, with two-and-a-half years suspended. He was released in September of last year and has since changed his name and moved out of state.

Bodkin used everything from cattle-farm implements to manicure scissors to castrate five willing "patients" before his roommate turned him in to the authorities.

"C'mon, Rex ol' boy—the ducks are waiting!"

Although Bodkin didn't charge a fee for his services, he did ask for two (or, depending on who's counting, three) things from his clients: the right to videotape the operation, and the testicles themselves. When police searched Bodkin's apartment following his arrest, they found nine jars, each containing one teste, labeled either "R" for right or "L" for left. (Bodkin only removed nine balls because excessive bleeding forced him to abort one backroom procedure.)

Jim the Cutter is a fellow amateur surgeon who says he was in E-mail correspondence with Bodkin before the Indiana cutter ran afoul of the law. Jim is not surprised that Bodkin wound up in jail.

"He sent me his videos, and I was appalled by the lack of professionalism in his work," Jim blanches. "Shoving a paper towel in a seeping scrotum is not what I would consider good practice."

Another recently imprisoned castrator is Dr. John Ronald Brown. Although Brown performed many orchiectomies and sex-change operations in his career, an elective leg amputation finally landed him in prison. Seventy-five-year-old Philip Bondy paid Dr. Brown $10,000 to remove his leg. Bondy died in a hotel room from a massive infection, and Brown was convicted of second-degree murder.

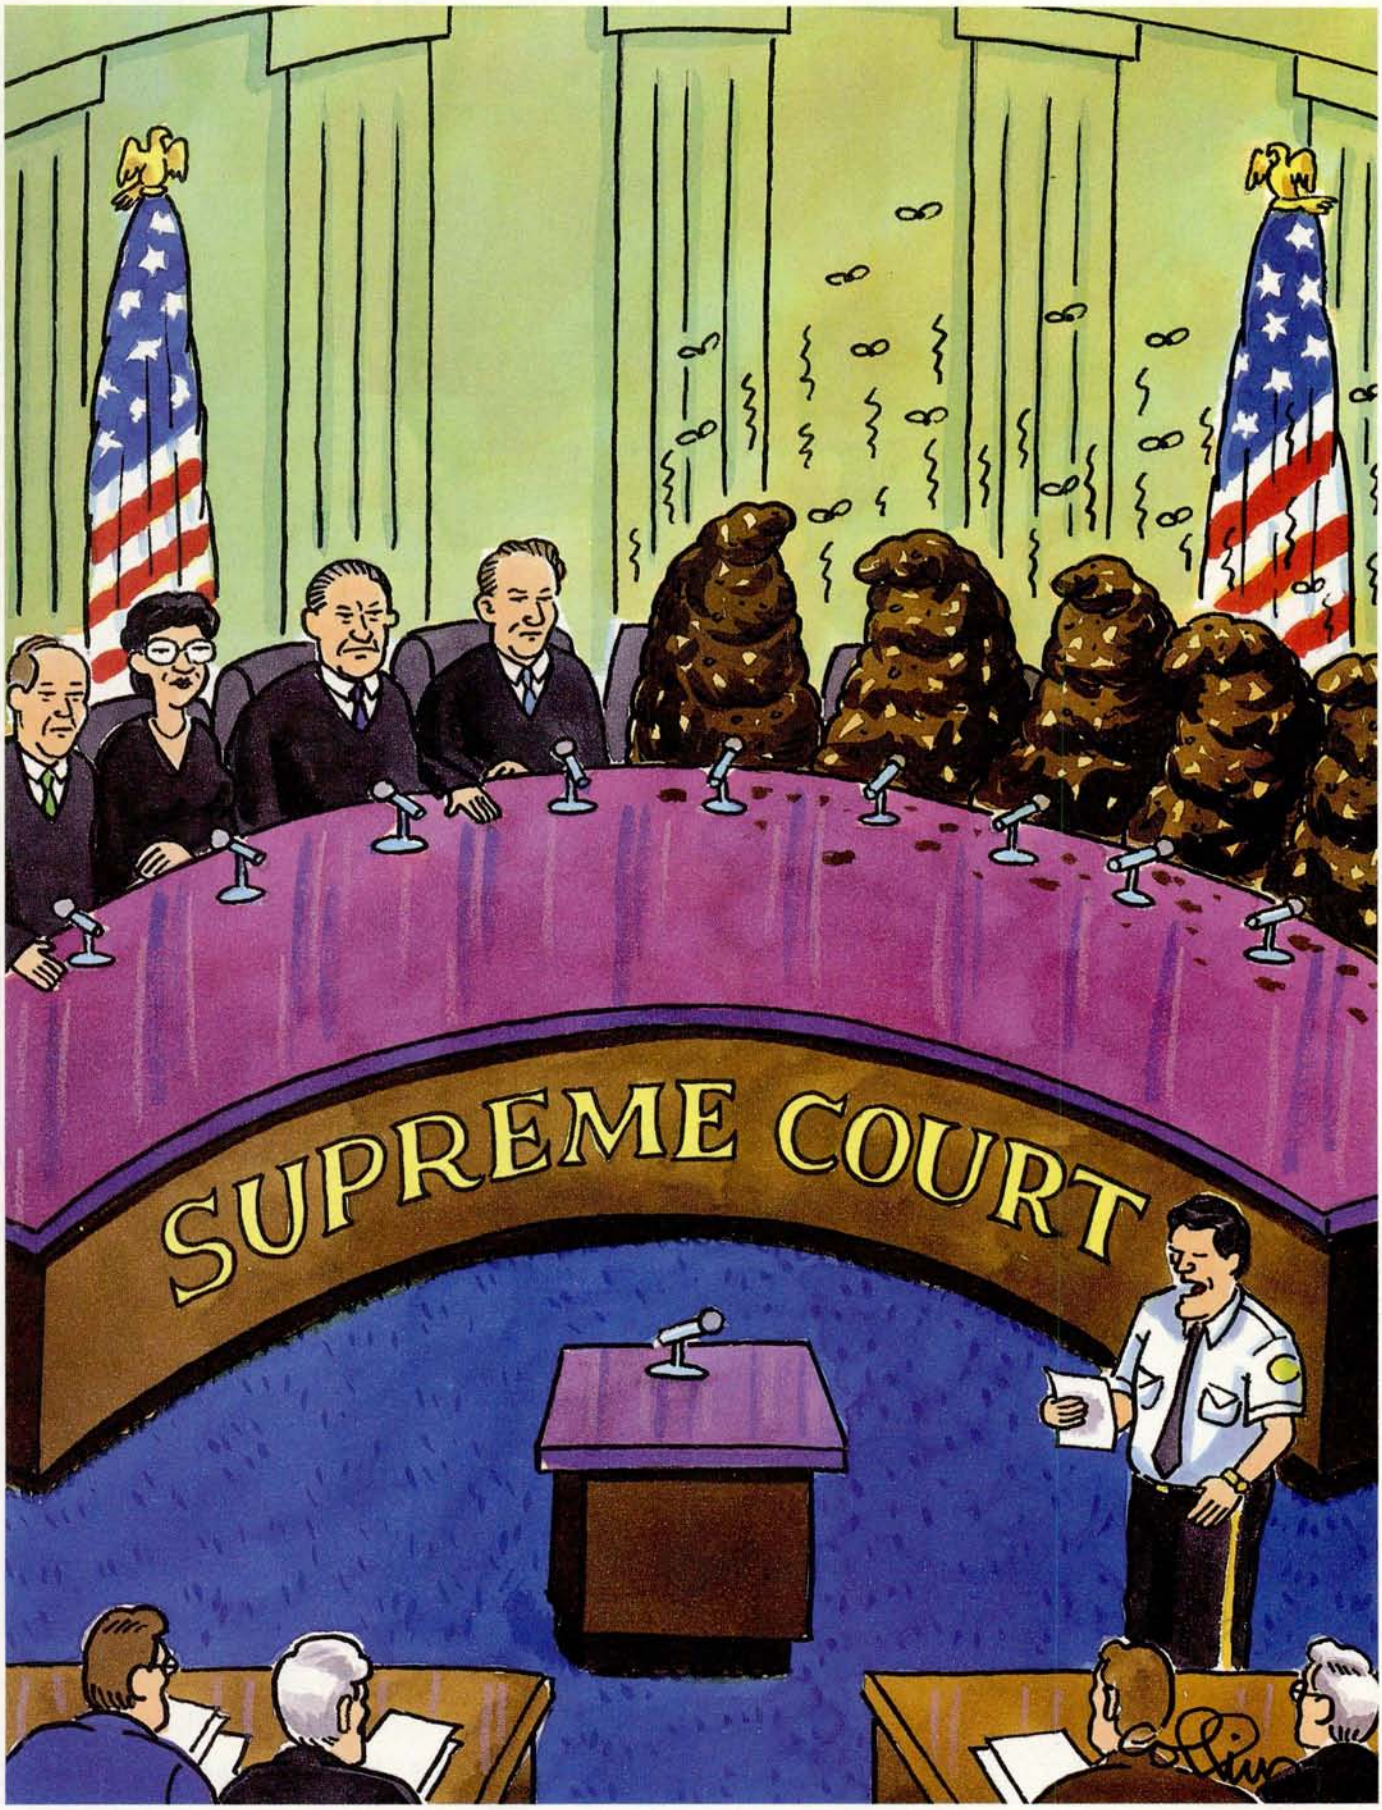
Randy, a gelding who asked to be identified only by his first name, believes that cutters such as Bodkin and Brown give the eunuch community a bad name.

"I would imagine that 95% of the people out there wouldn't even believe that this subculture existed," says Randy, who has no complaints about the cutter who castrated him. "The 5% that maybe have heard something about it have only heard about the problems."

Contributing to the abysmal PR profile that plagues the eunuch community is the fact that men who can't find a cutter and can't afford a doctor sometimes take their balls into their own hands.

"Gelding" economized by trying to cut his own nuts off, and nearly paid with his life. In 1991, he tied off his testicles, took a pair of surgical scissors and severed most of his scrotum. The self-surgeon began bleeding profusely; he recognized the signs of clinical shock from his military training, which probably saved his life.

"I put what was left of my scrotum and balls in a plastic bag, dressed myself, called a taxi and took myself to the hospital emergency room," Gelding recalls. "The Catholic urologist who treated me was literally postal (continued on page 165)



"The Court's decision is effectively 5 to 4 in favor of the Bush team."

Victoria tugged at her furry lips in the Holiday 2000 **Beaver Hunt,** revealing the 22-year-old's tight honey-hole. As HUSTLER's second Beaver Hunt Finalist of 2001, the freshly trimmed massage therapist's healthful manipulation of her deep tissues has readers and Editorial Staffers alike bursting with vitality.

Will the Gentry, Arkansas, native's **rooting through her blue-ribbon folds** win her this year's **Beaver Hunt Grand Prize?** Only if you root for her.

Attention, ladies! *Are you an amateur nudist over 18 years of age? The 2001 Beaver Hunt Grand Prize Competition is looking for you! Snap a few clear, color pictures, and mail them to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2001 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. Your photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of HUSTLER Magazine.*

"I want to fuck in the aisles of the Catholic church in which I was raised," boasts 24-year-old bad girl Gia. Hailing from Baltimore, Maryland, Gia dances for a living, but likes to play with her daughter and walk in the graveyard for kicks. In the words of Homer Simpson, "Mmm...sacrilicious."

Don't bother Jamesina; she's in the middle of something very important. A 32-year-old housewife from Lewiston, Maine, Jamesina enjoys dancing, screwing and giving her friends makeovers. "Having sex with my husband on the hood of his tractor-trailer truck" is tops on this Beaver's to-do list.

Krissy, 20, looks great from every angle. An administrative assistant from Dallas, Texas, Krissy enjoys dancing, masturbating and skydiving. When she takes a moment to reflect, the shapely Beaver dreams of being "fucked and licked by two girls at a campfire in the middle of the woods." We don't need a mirror to tell us that Krissy's the fairest of them all.

With her perfect body and beautiful smile, Ariana, 21, is irresistible. A hostess from Denver, Colorado, the slender brunette enjoys the diversions of dancing and skiing. Someday Ariana hopes to experience "fucking my boyfriend and another girl on a moonlit beach."

"I want to do XXX films," admits Morgan, 29, from Buffalo, New York. An exotic dancer and a fan of horseback riding and poetry, Morgan has a couple of ideas for her first blue movie: "Either a D.P. or a gang-bang would be the ultimate fantasy."

—Photo by Friend

Knowing that the best place to find fresh clam is by the ocean, 28-year-old Katrina from St. Louis, Missouri, shows off her own seafood by the rocky shore. An emcee and deejay by trade, this outdoorsy urbanite is carnally diverse as well, listing sucking cock as her prime interest and a sexual fantasy that involves "lots and lots of women."

—Photo by Boyfriend

Erin, 30, from Trenton, New Jersey, makes her living as a retail buyer. Reading, being outdoors, shopping and nude sunbathing are the business-minded Beaver's favorite ways to unwind. Erin creams over the idea of "having sex with another woman in a dark club." We're sold.

—Photo by Boyfriend

Talk about a reversal. Michelle, 34, from Washington, New Jersey, keeps her bush neat and trimmed, but teases her coif to the limit. Dancing, drawing, tattoos and exotic massage are just a few of Michelle's hobbies. While working on a morning stock crew, Michelle dreams of "making love on a sandy, dark beach or on a bed of roses."

—Photo by Friend

"I love pleasing men orally, enjoy anal and am extremely wet when being turned-on," purrs Kristie, 26, of Costa Mesa, California. As if that weren't enough, the ambitious food server moonlights as a stripper for kicks. Kristie dreams of starring in an "extensive line of adult amateur movies." HUSTLER editors, meanwhile, dream of girls like Kristie.
—Photo by Boyfriend

"I am a people person," coos 22-year-old Eliza. The Tucson, Arizona, resident hopes to someday be an attorney. Bike rides, board games and cards are three of Eliza's varied interests. We're pussy people here at HUSTLER, Eliza, and we think you're tops.
—Photo by Friend

Outdoor exhibitionist Kayla, 26, from Albany, New York, loves taking nude pictures and giving head. While her accounting job pays the bills, exploring her wild side is what keeps Kayla happy. "I tried stripping a couple of times and found that I get extremely turned-on taking my clothes off and rubbing myself in front of total strangers." Kayla, you're hired. —Photo by Husband

Residents of Farmington, Utah, live in the midst of a national treasure nestled between 29-year-old Dea's cheeks. The exotic dancer enjoys camping, fishing and horseback riding, but her dream of "making XXX films" with her boyfriend and other women still remains unfulfilled.
—Photo by Boyfriend

Lynn, 25, yearns to be a lesbian porn star. The Canyon City, Colorado, resident is into tattoos, sex and video games, and fantasizes about a "threesome with my man and Jenna Jameson." Game over; when Lynn scores, she can't be beat.
—Photo by Boyfriend

Megan, 30, is a receptionist from Salt Lake City, Utah. With swimming and sex as hobbies, it makes sense that the brunette dreams of "a threesome on the beach." Another of Megan's goals is to someday "make an adult video."
—Photo by Friend

Hiking, dancing and poetry are Lilly's favorite pastimes. The 22-year-old secretary from Denver, Colorado, often imagines a mysterious man and woman dominating her while her "legs and arms are chained to a bed." After a good whipping, "I beg for them to enter me. As my begs become demands, they finally penetrate me."
—Photo by Husband

Austin, Minnesota's Mercedes is "always looking for a challenge." The 27-year-old factory employee enjoys writing poetry, reading, dancing and body piercing (presumably receiving, not giving). Someday Mercedes would like to have sex with two men at the same time. With a package like hers, landing a threeway should be a piece of cake.
—Photo by Friend

As certified nurse's aide, housewife and a mother of four, Amber, 28, would seemingly have her hands full. Not so; the Houston, Texas, native says she has plenty of time to hit the nude beach, blow her husband's bone, cook and travel. Amber's desire "to see another woman suck my husband's cock" cements the chestnut blonde's position as every man's dream wife.

What Do Women Secretly Say Behind Their Lover's Back?

85% say they *NEVER* achieve an orgasm during sex...
72% say they *FAKED* orgasms they never had...
67% say they're *UNHAPPY* with their lover's penis size...

Muscles, Money, and Looks help, but women want a "bigger" man.

The "Average" Penis Size is Just 6-Inches... This Ad Is For Men Who Aren't Satisfied With Being "Just Average"

Herbal Science Breakthrough!
World Famous Pharmacist Creates Revolutionary Herbal Pill That Is Guaranteed To Increase Your Penis Size 1"... 2"... Even 3"... In Just A Few Short Weeks... with absolutely no side effects!

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me, I will make it worth your while to change your mind. Let me explain.

By simply taking two, 100% Natural LONGitude capsules everyday... you can increase the size of your penis in length and thickness by a whopping 26%! Sounds impossible? You bet it does, but 96% of the men who try LONGitude have great success, growing 1"... 2"... even 3" in just a few short weeks!

Be The Biggest Man Your Lover Ever Had!

Nothing, I mean NOTHING will beat the look on your lover's face when she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of FEAR in her eyes. You won't believe how a larger penis will make you feel!

How LONGitude Works:

Your penis is made up of three sperate chambers. One chamber you urinate and ejaculate from, and the other two are called your Erectile Tissue. When you get an erection, your brain releases a hormone which sends blood to your penis which fills your Erectile Tissue Chambers with blood.

Now get this, the size of your erect penis is totally dependent on how large your Erectile Tissue Chambers are. The more blood the Erectile Chambers can hold, the bigger your penis will be.

Right now, your penis is extremely smaller than what it could be if your Erectile Tissue Chambers were longer and wider. This is where LONGitude goes to work... painlessly making your two Erectile Chambers longer and wider, holding more blood, giving you the extra 1"-3" you wish you were born with.

How Long Does LONGitude Take To See Results?

Weeks 1 through 3 you'll notice an increase in thickness. Weeks 4 through 8 you'll notice growth in length and much more thickness in both erect and flaccid states. Weeks 9 and on, your penis will have taken on a new body, not just longer and thicker, but harder and healthier.

Nobody Wants To Be "Just Average"

The "average" erect penis is just 6" long. LONGitude is designed for men who aren't satisfied with "just average". You don't want to live in an average home... drive an average car... or make an average income... why settle for an "average" penis? Especially since LONGitude is 100% safe and you can do this in the privacy of your own home.

Size Does Matter!

A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better "equipped" than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short? It's up to you.

Permanent Results!

LONGitude is a breakthrough product that will make your penis grow until YOU are satisfied with your new size. Once you reach your optimum growth size, STOP taking LONGITUDE. The results you've achieved are permanent. I advise all users not to grow their penis past 8" or 9" because of the simple fact... You Will Be TOO LARGE For Most Women.

No Grow-No Pay Guarantee:

Simply "try" LONGitude for 30-days, and if after 30-days, you are not absolutely thrilled with your new growth, simply send back the empty bottle and we'll refund 100% of your money - EVEN THE SHIPPING COST! If LONGitude didn't work, we'd be stupid to offer such a powerful guarantee.

EMBARRASSED

BECAUSE YOUR PENIS IS SMALL?
IT DOESN'T HAVE TO BE

ALL PHOTOS ARE UNRETOUCHED AND ARE OF THE SAME PENIS IN A 20 MINUTE TIMAL PERIOD.

With the European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4 in. Acceptable for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

IT'S A FACT: ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

HOW TO ENLARGE YOUR PENIS - THE BOOK

This book contains tips and techniques proven to help you reach your growth potential. Unlock the secrets that will give you the confidence that you deserve and desire.

PUMPER'S LUBE

A non-petroleum formula that is safe to use with any pumps seals, including those made of rubber, vinyl and latex. Use with the European Growth System for MAXIMUM SUCTION POWER!

QUICK RELEASE PENIS RING

After use with the European Penis Growth System, the Quick Release Erection Ring will keep the tissues and caverns in your penis filled with blood for as long as you wish, maintaining your powerful erection.

SCIENTIFIC RESEARCH PROVES LURE'S NEW SCENT ATTRACTS OPPOSITE SEX

Now YOU too, whether a man or a woman can become a wanted and desired sexual person. "IT REALLY WORKS"

Recently, NEWSWEEK magazine reported the discovery of a pheromone that highly attracts the opposite sex. Lure, a highly arousing scent, contains large amounts of Alpha Androstenol, the sexual signaler that will make you irresistible. Pheromones send out silent, subconscious scentsignals to the opposite sex that naturally trigger romantic feelings. The scientifically designed pheromone-based fragrance provides you with one of the most precious and powerful forces of nature. Lure is working for you.

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

Eunuchs
Feature

(continued from page 118) because he couldn't understand why somebody would castrate himself. He got very, very angry, as though I had committed a personal affront—if not to him, to God."

An outraged emergency-room doctor stitched Gelding's scrotum back together, thwarting his attempt to live up to his adopted name, but only temporarily. Gelding finally achieved eunuchism when a sadist chopped his balls off in an extreme fetish club. Gelding has a penis, but his urethra has been rerouted; he now urinates out of an opening near his anus that resembles a small vagina.

Men obsessed with heisting their own family jewels have been known to tape up their balls and shoot them off with a gun, or electrocute their nut sacs in the hopes of rendering their testicles useless, while traditionalists usually favor the classic butcher-knife method.

Self-castrators who shy away from scissors, knives, guns and razor blades, and can't stand the sight of blood, turn to constriction devices, such as an elastrator, which wraps around the base of the scrotum, preventing blood from reaching the testicles. This is the preferred method of castrating farm animals, since it shuts down hormone production but does not require expensive and potentially dangerous surgery. The balls wither away and die, and can easily be removed.

In spite of his brush with death, Gelding dismisses the dangers associated with do-it-yourself oyster removal.

"Even the guys who cut off their own cocks rarely die," Gelding insists. "The blood supply to the penis is a danger only if you have an erection. I have seen videos where rank amateurs do it with nonsurgical instruments—kitchen knives, Exacto knives. If a guy has a fixation, a true compulsion to be castrated, he's gonna be happy no matter what happens to him—complications, a stay in the hospital—you name it."

* * *

In an eerie dovetailing of the interests of ultramasochists and the criminal justice system, several state legislatures have jumped onto the castration bandwagon in the belief that a decrease of testicles in the sex-offender population will lead to a corresponding drop in the rates of sexual assault and rape.

In 1996, California passed a "chemical castration" law, by which repeat child molesters, as a condition of parole, must either submit to surgical castration or take weekly shots of Depo-Provera. Georgia, Florida, Iowa, Louisiana, Montana, Oregon and Wisconsin have all followed the Golden State's lead by enacting similar legislation.

Many sex offenders are enthusiastic proponents of castration treatments, but some are not satisfied with hormone shots—they want to join Gelding and No Nuts as eunuchs.

"Gelding" achieved eunuchism when a sadist chopped his balls off in a fetish club. He now urinates from an opening near his anus that resembles a small vagina.

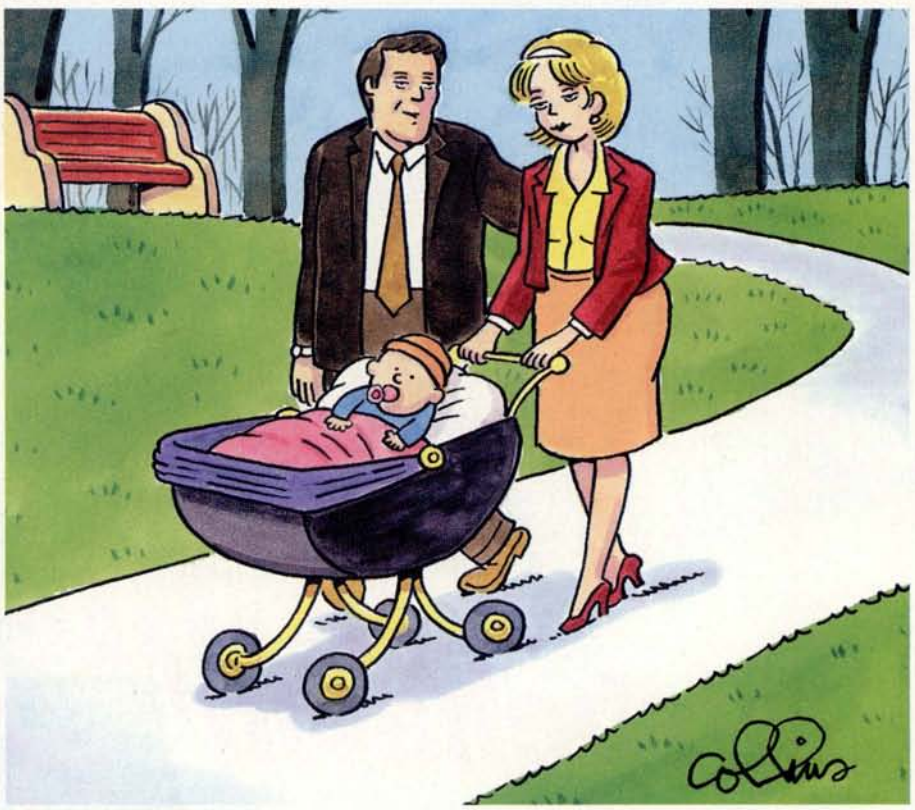
Texas resident Larry Don McQuay, a convicted child molester, begged to be castrated as his release date approached, pleading that he would continue to assault innocent children unless he was de-balled. The state refused to pay for the surgery, but the Texas legislature passed a law allowing repeat sex offenders to seek voluntary oyster shucking. At that point, Justice for All, an anticrime organization based in Houston, stepped in to help raise money for McQuay's eventual castration.

Elizabeth Schroeder, of the Southern California branch of the American Civil Liberties Union, worries that convicts may be coerced into "volunteering" for castration.

"People are desperate to get out of prison, especially now that a sex offender whose prison term is finished may have a civil commitment where he could spend the rest of his life in a mental hospital," Schroeder says. "Convicts may request castration hoping to impress a parole board."

Despite concerns over the rights of convicted sex offenders to keep their *cojones* safe inside their ball sacs, the involvement of state legislatures in mandating castrations may be a blessing in disguise. Public awareness of chemical castrations and the existence of court-ordered orchiectomies may inspire more licensed physicians to join Dr. Felix Spector in helping separate men from their testicles in a safe manner.

"I hear that Dr. Spector may be retiring soon," says castrato Gerald. "I just hope for the sake of other men who want to [become castrated] that other doctors have the guts to open shop and fill the need."



"Just think, someday he could grow up to be a Supreme Court justice, and arbitrarily and in a partisan fashion decide who gets to be President."

Taint Misbehavin' Evie

"My ass is wicked,"
declares Evie.
"It's like there's a demon in my colon that won't shut up until
I stuff my front and back holes with prick.
"That's why I bought a dishwasher: Delivery guys usually travel in pairs. They always find a spare half-hour to double-plug a customer.
Two big cocks hammering at the wall between my slit and my shitter is usually enough to satisfy my inner slut for a while—
at least until I can afford a new refrigerator."

Coming Next Month in HUSTLER

Shameless Summer

The hottest season drips with girl goo in the June 2001 HUSTLER. A lithe blonde sets aside her guitar and strums a rousing number on her pink twanger. A coffee-skinned cooze quenches her thirst with cock cream. A leggy tramp gives her foot-obsessed stud a special treat, toeing the line directly to his man sword. Two sandy-snatched lesbos grapple with their favorite toys in a scorching beach spread. A spicy Thai dish keeps cool by peeling away her panties and opening her moist ginch. A lonely slut diddles her hole by the pool, aching for someone to take a dip. The June 2001 HUSTLER's sweltering slits will keep meat thermometers rising all month long.

Women Who Do Boys

When a young girl is seduced by an older man, conventional wisdom holds that she has been raped. When a boy is sexually enticed by an older female, society generally deems him lucky. In recent years, sensational news stories about women fucking adolescent boys have drawn this seeming double standard into public debate. Adding to the confusion, some of the "victims" adamantly maintain that they were not harmed by their female seductresses. Reporter Lara Sterling examines the psychology of women and social groups who exploit these couplings to further their own conservative agendas in a provocative HUSTLER exposé.

Bitches Rule and Men Pay for It

About two hours outside of Prague, Czechoslovakia, in an exquisite gated community built by a 16th-century nobleman, doctors, politicians, artists and S&M aficionados from all over the world gather to willingly don dog collars, suffer humiliation and allow themselves to be shit upon—literally—by the female proprietors of The Other World Kingdom. HUSTLER correspondent Nico Winetrappe breached the bizarre, medieval sprawl of this forbidden village, where nearly naked men pull women through the streets in rickshas and all financial transactions are made in the Kingdom's own "mother" currency. Submitting himself to every manner of degradation, Winetrappe investigates this city of dominant women and chronicles every painful moment in a distressing HUSTLER feature.

June Buggers

June's *Sex Play* soaks up every juicy detail about female diaper fetishists and gives readers an uncensored peek into the lives of full-grown infantilists. Gleefully stomp the VW Beetle with the help of *Bits & Pieces* and choose spank fodder wisely, thanks to a dozen bullshit-free reviews from *Erotic Entertainment*. School's out, and the 17 neighborly Honeys of *Beaver Hunt* celebrate their freedom with you. Sun-kissed snizz and sticky summer reading await in the June 2001 HUSTLER.

June 2001 HUSTLER on sale April 3.
